

A 2 Day International Conference on Sustainable Urban Development, Resource Conservation and Food Security : SURF – 19

A two days International Conference on “Sustainable Urban Development, Resource Conservation and Food Security” ‘Surf- 19’ was organized by BIT and BEADS at Bearys Knowledge campus, Innoli, Mangalore on 26th -27th April, 2019. The inauguration ceremony was held at the International seminar hall with the invocation of Almighty. Dr. P Mahabaleswarappa Welcomed the gathering and also introduced the chief guest of day one Dr. Alok Kumar Srivatsav, Chief Scientist and Director, CFTRI Mysore, and the guest of honors DR. S A Khan, Professor, Department of Mechanical Engineering, International Islamic University Malaysia Kuala Lumpur, Malaysia, Mr. Bharat Mansata is a writer and environmental activist, involved in ecological regeneration. Mr. Amarnadh Adusumali is a farmer/entrepreneur who runs an organic farm near Madurai. And Mrs. Decpa Vedavyas, Principal, Ecopod Architects, Mr. Syed Mohammed Beary, Hon. Chairman, Bearys Group & Bearys Academy of Learning. Mr. Mazahr S Beary, Trustee, Bearys Academy of Learning and Principals & HODs of various departments. In his speech, he said The SURF-19 is intended to provide the participating delegates an opportunity to listen to and interact with eminent subject experts from reputed institutes and industry across the globe. The conference will witness two sessions of Keynote addresses. The sessions will be conducted in relevant areas of interest. All the guests and dignitaries on the dais were florally welcomed.

Mr. Syed Mohammed Beary, gave the presidential address, in his address added that the greed and pride of humans have led to the destruction of natural resources. “If this continues, the scenario will soon change and in next few years, people of metro cities like Bengaluru and others will have to migrate during summer to other places” he said while adding that India was a leader in sustainable developing till a century ago. “Some of the examples for this are Taj Mahal and the architecture of temples in Tamil Nadu. We are accountable for the protection of environmental resources” he added. Then there was Release of Abstract Proceedings Book by Dr. Alok Kumar Srivastava & Dr. S.A. Khan with the members on the dais.

Dr. Alok Kumar Srivastava, in his speech, said that with sustainable crops the soil fertility and nutrition in crops will increase. He also narrated that, India once use to import wheat and other products, whereas now it is the exporter of many commodities. He emphasized that still, we need to work hard to achieve chemical free commodities.

Dr. SA Khan, in his speech, said: "man has to learn and implement many things from the nature" he said the birds fly in the air keeping the body shape as V and the design of fighter planes follows exactly in V shape so as reduce the aerodynamical friction and drag is reduced by 30%. He also took an example of the plumber who connects the horizontal pipe the water tank which reduces the direct pressure of water in one direction.

Mr. Akram Sayeed, An Entrepreneur and community leader, Dallas, USA. In his speech said the globe is under three threats in the coming years 1. Loneliness, the urbanization which is the cause. 2. Extreme weather conditions causing Tsunamis, Glacier, fires in the woods. 3. Global economic vulneraries. He urged the researchers to work towards overcoming these world threats. Dr. Mustafa Basthikodi presented the Concluding remarks and gave thanks to Chief Guest and Guest of honour.

In the same venue, there was Panel Discussion on Food Security, Keynote Address and Presentation was by Dr. Alok Kumar Srivastava, and Presentation By Mr. Bharat Mansata, then followed by Presentation by Mr. Amarnadh Adusumali the event was moderated by Dr. Basavaraj M., Professor & Head, Mechanical Engineering, BIT, Mangalore. There were around 60 papers were presented in the different venues under four tracks along with poster presentation.

In the post-lunch session, there was Panel Discussion on "Advances and Recent Trends in Engineering and Technology" in the International Seminar Hall. The moderator for the Panel was Dr. Aziz Musthafa. The Keynote Address and Presentation was by Dr. S. A. Khan. Followed by Presentation by Dr. K Chandrasekaran, Professor & Former Dean, NITK, Suratkal. There was Presentation by Dr. B H Venkataram Pai, Joint Director, MIT, Manipal, then the presentation was by Dr. Somashekhar Bhat Professor & Head of ECE, MIT, Manipal and at the end there was an interesting question and answer session. The day one ended with music and feast by name SURF Banquet at BIT Lawn.

The day two began with an invocation of Almighty. The guest on the dais were Dr. Ken Yeang, Renowned Architect, Ecologist, Planner, Malaysia, Mr. Mansoor Khan, Renowned Film Maker, Mumbai. Dr. S.A. Khan, Dr. Bhakti Devi, Liveability Strategist, Bangalore, Ar. Deepa Vedavyas, Ecological Architect, Harvard University, Mr. Syed Mohammed Beary, Dr. Mahabaleswarappa P, Ar. Ashok LP Mendonca, Dr. Aziz Musthafa, Mr. Mazhar S Beary, Dr. Mustafa Basthikodi.

Ar. Ashok LP Mendonca, Principal BEADS welcomed the gathering in an innovative way by showing concern on saving mother earth. Followed by Inaugural address by Mr. Syed Mohammed Beary, in his speech is said one of the reasons for all problems is the greed and the solution would be sustainable development and said it is the experience which makes the man perfect and not the education. And social happiness is paramount important not individual happiness.

The keynote address was by Mr. Mansoor Khan, Renowned Author, ecologist and Film Maker, Mumbai. In his address, he said the exponential growth is the problem for resources and he has defended it. He said "deal with reality or the reality will deal with you".

The Panel Discussion on "Sustainable Urban Development" was held at International Seminar Hall. The Keynote Address and Presentation was by Dr. Ken Yeang, he spoke about the green architecture for Sustainable Urban Development followed by Presentation by Dr. Bhakti Devi and Ar. Deepa Vedavyas. The moderator for the session was Ar. Ashok LP Mendonca followed by question and answer session. The best paper and best poster awards were distributed by Chairman and dignitaries on the dais. The two days program ended with vote of thanks by Dr. Mustafa Bastikodi followed by National Anthem.

The event was held in a modern, well-lit conference room. The speaker at the podium was Mr. [Name], who discussed the importance of [Topic]. The panelists, including Mr. [Name], Mr. [Name], and Mrs. [Name], provided their insights on the same topic. The audience was engaged throughout the session, and the event concluded with a Q&A period. The conference was a success, and the organizers expressed their gratitude to all participants.

Interactive session on National Board of Accreditation on 18th Nov 2018

Bearys Institute of Technology conducted an Interactive session on National Board of Accreditation (NBA) at Bearys knowledge campus on 18th Nov 2018. The resource person for the event was Dr. Ranganath RV, Civil Department of BMS College of Engineering Bangalore. The president of the function was Mr. Syed Mohammed Beary, Chairman, Bearys Group of Institutions. The principal of BIT college, Dr. Antony AJ, Principal of BIT Polytechnic, Dr. Aziz Mustafa and Principal of BEADS, Prof. Ashok LP Mendonca and HODs of various departments and staff were present. The program started at 11:00 AM with the invocation of Almighty. Chairman Mr. Syed Mohammed Beary gave the presidential address in his speech, he stressed on three things that are required for achieving success one is individual commitment second is collaborative efforts (teamwork) third is the collective leadership. The Dean of Academics, Dr. Mahabaleswarappa welcomed the gathering. Dr. Ranganath began his talk with the concern that 70% of the graduates are unemployable. To be employable the students must say "We are learning and we not being taught". He also said Innovation is simply taking an idea or an invention and applying it for a purpose. He explained the theory of Outcome-Based Education (OBE) which focuses on the skills and results achieved by the student as the most important aspect of education. The use of assessments, opportunities, and classroom experiences should all provide the necessary support for the students to achieve their goals. Faculties discussed many of their doubts related to accreditation. The vote of Thanks was

proposed by Dr. Shoaib Kamal, Chief NBA coordinator. The MC of the program was Prof. Akshata of Civil Department. The program concluded with National anthem at 6:00 PM.

A REPORT OF FDP ON

Empowering Faculty Fraternity through Experiential Learning Methodology on 25th & 26th of January, 2019

A two-day workshop on “Faculty Empowerment Through Experiential Learning Methodology” was organized by the BIT at Bearys Knowledge Campus for all the faculties of BIT- Engineering on 25th & 26th of January, 2019. Mr. Atequr Rahaman, Renowned Motivational Trainer and Expert in Neuro-Linguistic Programming (NLP) was the resources person for the workshop.

The workshop was organized at the International Conference Hall at 10:00 AM. The BIT Principal, Dr. Mahabaleswarappa welcomed the gathering, introduced the resource person and inspired faculties for lifelong learning and gain knowledge in diverse domains.

The resource person began the training session elaborating the objectives of this workshop which involve an individual’s Intellectual, Emotional & Physical capabilities that last long. He

stressed on the lessons we derive from these experiences, and act as anchors & motivators for your-self development and life skills development.

The day one started with an activity called BINGO the objective was to learn about our colleagues by taking signatures from fellow faculties. Some of the learning outcomes were - effective communication – grabbing the opportunity, helping nature, approach towards the solution. The second session was personality Development, in that the resource person spoke about Personality pyramid which comprises of physical, Emotional, Mental and Spiritual. And after that, there was an activity called wheel of life. The wheel consist of 8 sectors was Spirituality, Health, Work, Finances/Money, Family, Friends, Social Life, Contribution, Religion, Fun and recreation, Intellectual, Academic, and Skills. An exercise was performed with identification and target setting of all the parameters in each sector. And there was a wheel of the profession for that the key parameters given were Passion for teaching, Subject Knowledge, Concern for students, New Initiatives, Leadership, Team Player, Dedication, Reliable, Creative and Visionist. The day one ended with the activity called Baba-Baby- Ball in which the teams were formed and some of the reflections were Adaptability, Leadership, Alert, Teamwork, Participate and Healthy Completion.

The second day began with a motivational talk by Management Trustee, Mr. Mazhar S Beary. Followed by an activity Hunter – Rabbit –Wall and some of the reflections were Team work, Leadership, Planning and decision making. Overall the workshop was designed to facilitate our journey of learning to enable to self-discovery and to support faculties in identifying inner potentials. The uniqueness of this workshop was facilitating the learning process of the faculties through individualized perspectives in each activity, so that, the development of the faculty through experiential learning methodology. The program was witnessed by Management Trustee, Mr. Mazher Beary, The Founder Principal, and Senior Adviser, Dr. Raikar, Principal of Bearys Enviro Architecture Design School (BEADS) Ar. Ashok LP Mendonca, Principal BIT Polytechnic, Dr. Aziz Mustafa and Heads of various departments.
