NSS report

Saturday 25th June 2022 Bearys institute of technology under NSS unit organized a tree plantation and clean city program from Kambla padav to Mudipu junction. The aim of the program is to plant trees on the road sides and clean the road from plastic waste. Students also made some posters, placard and banners on the importance of tree plantations and benefit of cleanliness.

The program started with National Anthem at Morning 9.30. More than 100 students and professors from each department participated in this program. Member of Legislative Assembly (MLA) Mr. U.T. Khader, Dr. S.I. Manjur Basha, Principal of Bearys Institute of Technology, Dr. Aziz Mustafa, Director of BIT- Polytechnic, Architect Ashok Mendonca, Principal of Bearys Enviro-Architecture Design School were present in this program along with Local village representative, and nearby school students.

Mr. U.T. Khader MLA of Ullal Mangalore taluk inaugurated the program through sapling plantation and watering. He addressed the gathering enlightened to all participant regarding importance of greenery and cleanliness.

Dr. S.I. Manjur Basha, Principal of Bearys Institute of Technology, monitored all NSS activity, encouraged all participant to carry NSS activity honestly to serve and build the prosperous nation. Dr. Aziz Mustafa, Director of BIT- Polytechnic encouraged and involved in the NSS activity.

Students collected plastic waste along the sides of road and planted saplings. Awareness regarding importance of cleanliness in our life and role of trees in healthy society was promoted through placard and banner.
