Department of CSE has one of the best practices of organizing Industry visit for students, this academic year visit was organized to BGRT on 30th March 2022, the objective of this visit is to make the students experience the industry environment, their ideation, their world view, Etc.

There was an eminent personality Mr. Ramesh Suthar, General Manager, Bearys Group who graced the occasion with his presence, and there was a presentation by him on building orientation on BGRT, Sustainable development, regarding developed countries, Natural resources on earth, Infrastructure, and global warming.

He also shed light on the various services and steps taken in the direction to flourish the BGRT company and make it compete with the international market.
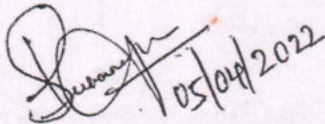

Thereafter students were taken to the tour of the building, followed by Post lunch, and group photo session.

Learning Outcomes:
1. Site selection of the company
2. Design Building
3. Preventing and minimized solar heat
4. Optimize uses of energy and water, less energy compared to other grade A building
5. Usage of Chillers
6. Variable frequency drive
7. Various system of AC (Centrifugal chilled coater system)
8. Heat recovery system

Student Feedback:
1. Students have requested more number of days of visit to be increased
2. More Software Companies like Infosys, Wipro, TCS & Data Centres to visit
