# CADD CENTRE®

Driving Digital Designs!

This Memorandum of Understanding, dated 31st day of October, 2022, is entered between **Bearys Institute of Technology Mangaluru, Pavor, Dakshina Kannada, Karnataka, India** (hereinafter referred to as **BIT**) represented by Principal, BIT Engineering College, and **M/s. CADD Centre, Bendoorwell, 1<sup>st</sup> floor Prime Tower, Opp to Mangalore Nursing Home, Bendoorwell, Mangalore** (herein after referred to as **CADD Centre**) represented by **Mr. RAJESH**, Centre Head.

## BIT – CADD CENTRE COLLABORATION OBJECTIVE:

**Maximize placement opportunities for students of core engineering branches viz. civil, mechanical, electrical and electronics by equipping them with industry specific skills and make them industry ready**

This Memorandum of Understanding is to conduct a **Unique Systematic Skills Development Programme** for the students of the core engineering branches viz. Civil, Mechanical, Electrical & Electronics and Electronics & Communication. Towards achieving the objective of maximizing the employment opportunities for **BIT** students and to plan investments and instructors, this memorandum of understanding is being entered for a minimum period of 1 year, which can then be further extended mutually.

The Memorandum of Understanding states the terms and conditions under which the **Unique Systematic Skills Development Programme** shall be conducted by CADD Centre at **BIT**, and lists herein the respective responsibilities of both parties.

## PREAMBLE:

For a student to be recruited by a good company, he/she is expected to have the following:

1. Strong Fundamental Engineering Knowledge
2. Engineering related **Multiple Technical Skills** - Develop skills that add value.
3. Communication & other Soft Skills

Engineering Knowledge will be provided by BIT. CADD Centre will equip the core engineering branches students with the required industry specific technical software.

The irony in India is that there are thousands of unemployed Engineering students not finding jobs while Industry has requirement of millions of engineers at multiple levels but are unable to find the

# CADD<sup>®</sup> CENTRE

right candidates. This is because of the skill gap that exists between academic institutions and industry

requirements. This skill gap is sought to be minimized for BIT students by facilitating them to acquire the appropriate and relevant skills at the college itself. Benefits accruing to the college and students are listed at Annexure I.

Through this collaboration, CADD Centre will prepare the students of BIT to be ready for industry by the time they enter the final semester and assist many of them to find their dream jobs. For this the students have to be nurtured and trained in different areas. Keeping in sync with academic progress and the knowledge curve over a period of time.

## SCOPE OF COLLOBORATION:

Both parties to this MOU agree that the broad scope of responsibility will be as stated below:

### CADD Centre Bendoorwell shall provide

- The Internationally acclaimed CADD Centre course material to all students for each software.
- Each student who successfully completes the training Programme will be given a certificate.
- The requisite instructors to provide the training for the different software.
- Assessment of student on module completion.

### BIT shall provide :

- Required number of computer systems in the lab for the practical.
- Class rooms with LCD projector for the theory classes.

## PARTICIPANTS

Students of Technical engineering who have participated in this will be trained on the relevant software.

# CADD<sup>®</sup> CENTRE

Driving Digital Designs!

## COURSE CONTENTS

CADD Centre in consultation with BIT has finalized the course contents for the skills development programme. These are listed branch-wise at Annexure 1. These will be reviewed every year and suitable changes, if required, will be incorporated. As the requirement of each core engineering branch is different, course contents have been worked out separately for each branch.

## TIME SCHEDULE

The programme(s) will be conducted during the college working hours.

The students will be divided into batches, depending on the total strength.

## LINK OFFICER

The Principal shall appoint a Link Officer from each department for the duration of the programme, who shall liaise with CADD Centre and speak for the participants to make the training process learner-friendly and effective. CADD Centre shall work in close relationship with the Link Officer, who in turn shall keep a close touch with the students. In the event of any difference of opinion between CADD Centre and the Link Officer, the matter should be referred to the **Principal BIT** whose decision thereon shall be final.

## COURSE FEES & PAYMENT PATTERN

The course fees per student for each one the courses offered are detailed at Annexure 1.

BIT will release the payment for the total number of students enrolled in each branch. Payment can be made as cheque/demand draft in favor of RAJESH V payable at Mangalore.

→ BIT Faculty of Civil Department .

## JURISDICTION

All matters, queries, disputes or differences, whatsoever, arising between the parties touching the construction, meaning, operation or effect of this Memorandum of Understanding or out of or

Hello Sir/Mam,

As per our discussion please go through the Incubation[Free Training & Placement Assistance] Proposal for 2021 batch.

### Greetings from QSpiders

It is my pleasure to introduce you to QSPIDERS / JSPIDERS. Here is a quick snap shot for you to understand us better before you go through our attached presentation.

QSpiders / JSpiders is the largest technical training center, currently with 2856 software companies across India.

- QSpiders / JSpiders is worlds No.1 training center and largest finishing school on Earth.
- QSpiders / JSpiders is the only training institute in the world to have trained more than 5,70,000 trainees & have placed more than 4,27,000 in different organizations across PAN India & other countries.
- QSpiders / JSpiders operates with 12 different places across India - Bengaluru, Mysore, Chennai, Pune, Mumbai, Gurgaon, Bhopal, Noida & Bhubaneswar. Also in 3 different countries - US : California, UK : London & Ireland.

Every year Across India, we run a Certified Free Training & Placement program for Current passing out year - 2021.

Job description :

- Qualification – BE, Btech, BSC,BCA & MCA
- Year of Passing – 2021 (Fresher's)
- Percentage - Any
- Stream – Any except Bio-Tech & Chemical
- Prerequisite – Good Communication skill & Good Aptitude knowledge

If you are interested we would like to conduct online drive for your college, so let us know the convenient date & time.

We Select Few good students from your college for a free Certification Program on Java Full Stack Development/ Software Testing. We have 1000+ opening to fill.

- This Incubation Program is FREE
- No fee to the selected students

What benefits out of this program conducted by QSpiders ? ...

- Students are eligible for placement assistance from QSpiders

- The students who has not got placed directly to any company through campus, without wasting time will get a better opportunity to be a part of MNC.
- Increase their skill sets to become eligible for getting job in IT industry, before wasting precious time in searching of jobs and then realizing that improving skill sets is necessary.
- Avoids unnecessary expenditure and saves time on improving the skill sets.
- Ensures students are attending interviews and getting job before it's too late, when their friends already are working.
- Here is an better opportunity to reach their dreams or to build their carrier in IT industry.
- They get a platform were they get a good job based on their knowledge and performance i.e. on Software Testing / Software Development.
- Training is provided free of cost & No Hidden Charges Involved.

Interesting part : Any student irrespective of their Qualification, Year of passing & Stream can take part in the addressing or workshop conducted by QSpiders as it helps in motivating them, making their decision in order to start their carrier as a professional in any field and will mainly get a brief Idea on what is ? Software Testing / Development.

Training Duration: Students will be trained for 2-3 months maximum on Full Stack Java Programming/Software . Testing that is for 6hrs/day along with their final semester, looking into their availability.

As per our discussion incubation online drive is Confirmed on 12<sup>th</sup> April @ 10am

Rounds of Interview-

- Online Addressing by our Senior Architect [on the day of Drive]
- Followed by Online Aptitude Test
- F2F[will be done after 1 or 2 days]
- After Selection offer letter will be sent College.

## Site Visit to Sukrithi Apartments of the Citadel Group

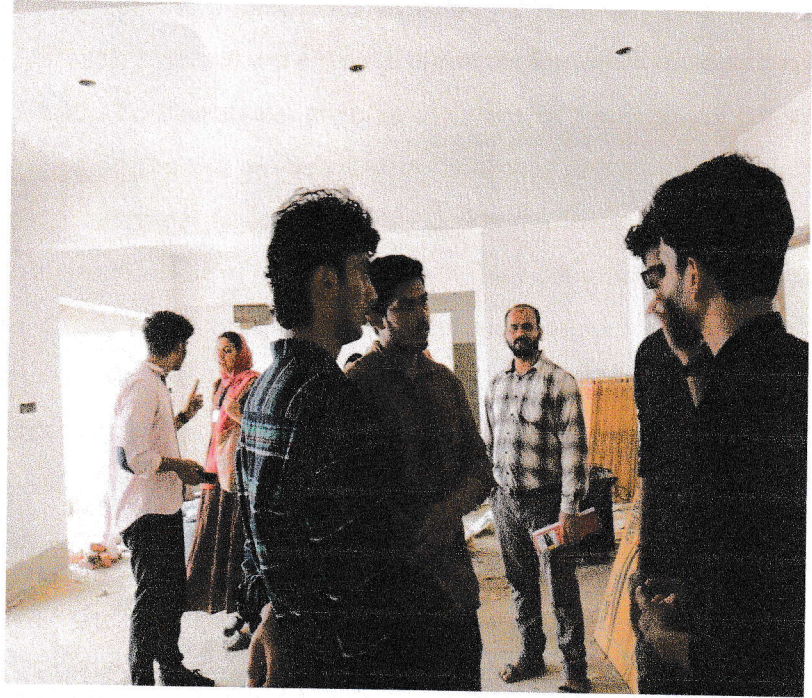

A site visit was planned on 23<sup>rd</sup> April, 2022, to Sukrithi Apartments. A group of 21 students of the 5<sup>th</sup> Semester accompanied by Faculty visited the 11<sup>th</sup>-floor under-construction building at Padavinangady, Bondel. Students were briefed about the Foundation, beams, columns, Sunken slabs, Shear walls etc. Er. Suresh Pai gave an overview of the building construction. A Raft foundation was used on the site as hard lateritic soil was present during excavation. As the terrain was slopy, 2 basement floors were provided and a retaining wall was provided at the rear end of the construction site to retain soil. Each floor comprises of 9 flats with 3 flats/floor being 3 bedroom flats. Plastering of the inner walls and some outer walls were seen during the visit. Concrete for the Slabs and Columns were provided by QCrete. Citadel constructions have around 15 projects to their credit as they follow all the building codes and practices to maintain good quality of construction.

## TECHNICAL TALK

Our Guest **Dr. Manjur Basha (Principal BIT)** talked about importance of webinars & MOU; Also Prof. **Purushotham (HoD)** mentioned some of the importance of technical webinars in civil engineering. Later, **Mr. Syed Mohammed Beary (Chairman of Beary's group)** took over the session and explained the importance of industry exposure and insisted students to visit construction sites regularly and gain practical knowledge.

Next, Keynote speaker **Ashok Kumar SG** delivered a talk on “**Opportunities in Construction Management**”. He described and explained the present scenario of industrial requirement. He mentioned his objective is to impart industrial exposure and the need of skilllets for the fresher's. He said Civil Engineering is the master of all Engineering.

Later, Er.Nagarajan took over the session showed very complicated and beautiful structures constructed throughout the world and inspired students to build such structures in our state Karnataka.

He pointed out why there is a gap between Academic and Industry, and explained the actual reasons behind this. Then he described the difference between Indian and abroad construction procedure. In India one-year for planning and 5-year of execution, whereas in abroad 5-year of planning and 1-year for execution.

He said Industry does not want Civil Engineers! But they want planning, Costing, Procurement, Quality, Execution, Safety Engineer and explained all these in brief to the students. Finally he suggested students to be well trained before getting into a job.
