LETTER OF APPRECIATION

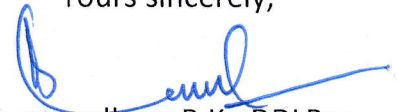

In the history of Blood Donation Camps of Indian Red Cross Society, Dakshina Kannada District Branch, the camp organized in the Bearys Institute of Technology on 7th July 2021 stands out as extremely unique event of humanitarian service. 30 units of blood collected has saved many lives and has ameliorated the pain and agony of many patients and their families. As we were facing acute shortage of blood during Corona pandemic, this camp was very useful. Our Red Cross Blood Bank being a humanitarian organization gives blood to the patients of Govt. Lady Goschen Hospital free of cost.

We are proud to place this event on record and as mark of our deepest appreciation this letter is issued. We look forward to continue this noble tradition in future also.

Thanking you,

With regards,

Yours sincerely,
