Skill development Programme Conducted

A two-day Skill Development Program was conducted by Comedkares on 21st and 22nd December 2022. Comedkares is an Innovation Hub sponsored by GoK. These hubs are a single platform for students to get access to tools, and mentoring from industry mentors & local innovators to get started with building products & innovations.

The ComedKares Centers aims to support all colleges in the region to get access to state-of-art infrastructure to help their students be competent and compassionate technocrats to be better employers of the future.

The 2 Day skill development program for the 1st year students of the Batch 2022-23 was conducted with the aim of bringing an awareness to students to adopt different skills to make them employable and adptable to the changing demands of the Industry. Dr. SI Manjur Basha presided over the program and Dr. Nalini Rebello addressed the session in the afternoon.

The facilitators spoke about the opportunities available, and the need for integrated interdisciplinary aspects in engineering and also gave tasks to students.

Title: Networking Projects Using Cisco Packet Tracer

Date: 16/12/2022

Electronics & Communication Engineering Department of Bearys Institute of Technology Mangalore, Karnataka, organized a one day Workshop on “**Networking Projects Using Cisco Packet Tracer**” on **Friday 16th December 2022**. The Workshop was conducted in the International Seminar Hall of Bearys Institute of Technology Mangalore, Karnataka.

Mr. Rahul Redkar, Freelancer (Networking) Goa, was the resource person for the workshop. 26 students participated in the workshop.

The participants were given hands on experience on Cisco Packet Tracer. The participants found the workshop very useful as it enhanced their software skills.

Prof. Mehaboob Mujawar, Assistant Professor-ECE, BIT-Mangalore welcomed the gathering. The Session began with Introduction to CCNA (Theory), Basics of Cisco Packet Tracer, Basic Network designing. In the afternoon session Networking projects were implemented such as stating routing and advanced office setup based on given requirements. The session has provided a good learning experience with questions and answers. The program concluded with the Vote of Thanks by **Dr. Abdullah Gubbi**, HOD-ECE, BIT-Mangalore.

Department of Computer Science and Engineering Workshop on Latex

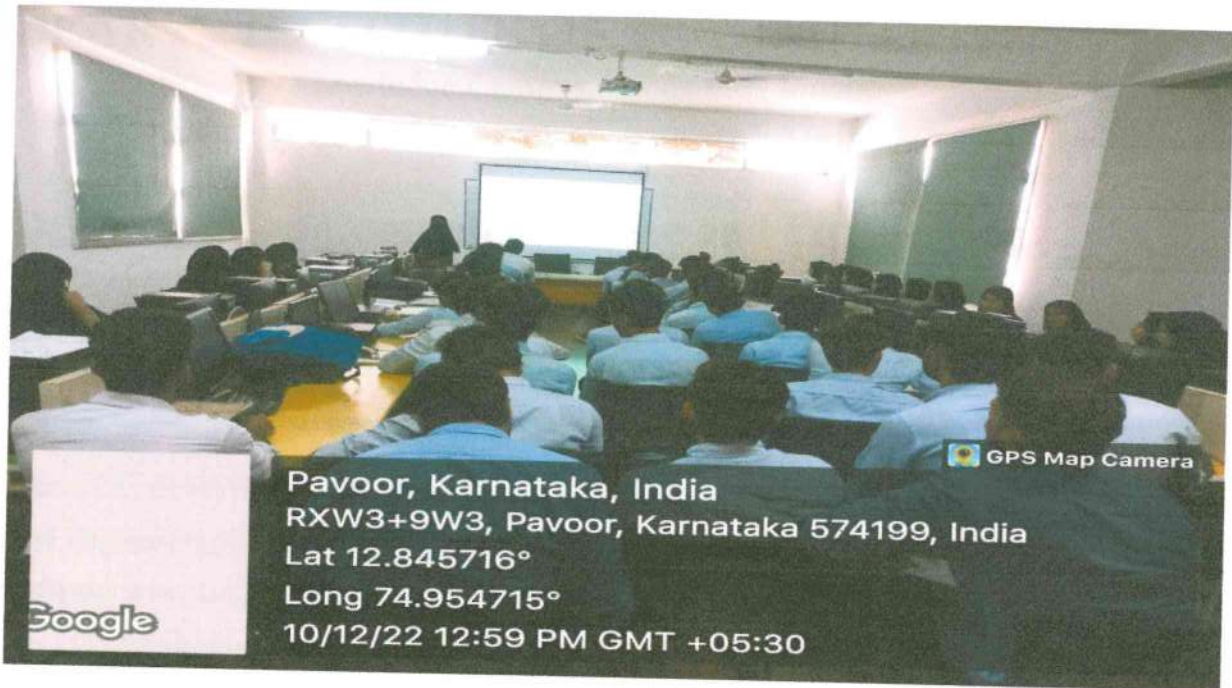

Department of Computer Science and Engineering in Bearys Institute of Technology has a given talk on introduction to LATEX on 26 Nov, 2022, 2 Dec, 2022, 10 Dec, 2022, 12 Dec, 2022 16 Dec, 2022 (5 days). The resource person Prof. Nubila Jaleel (Department of Computer Science and Engineering) has given a talk on how to use LATEX which is very helpful for the students in different ways such as setting IEEE papers, project and mini project reports. By using LATEX provides professionally crafted predefined layouts make a document really look as if “printed.” Mathematical symbols and equations are easily integrated. Even complex structures such as footnotes, references, table of contents, and bibliographies can be generated easily. Forces author to focus on logical instead of aesthetic structure of a document. Creates more beautiful documents. And it is very portable, compatible, flexible, versatile, and cheap (or free)!

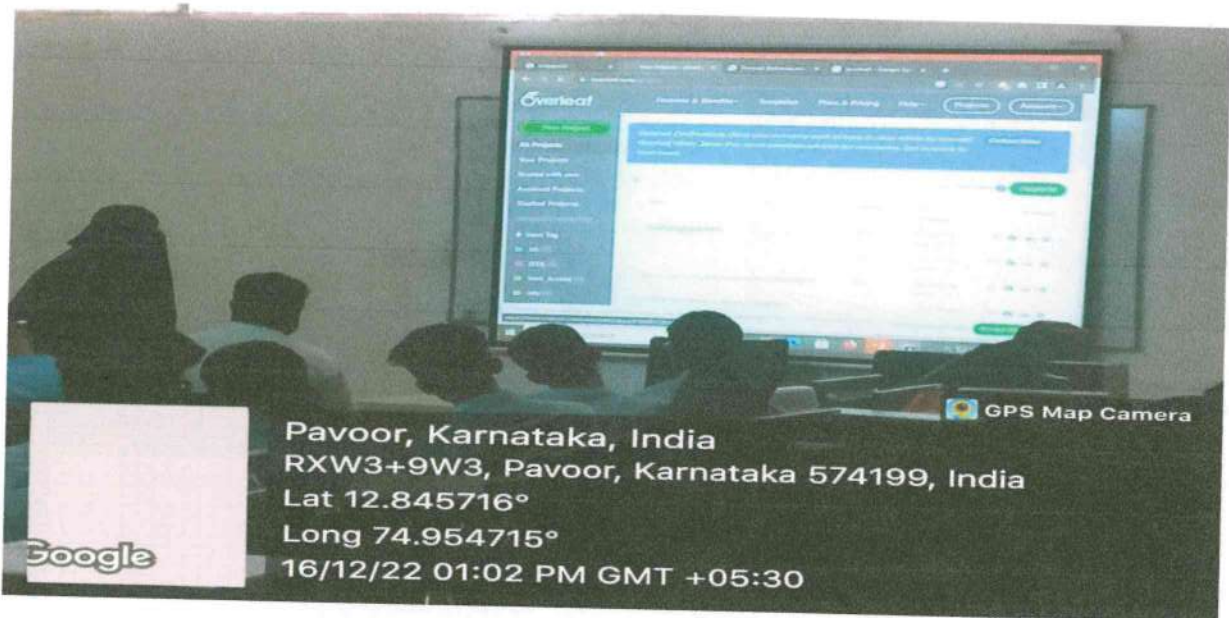

Workshop on LATEX.

A technical talk on “Fundamentals and Applications of CFD in Aeronautical Engineering”

The Department of Mechanical Engineering organized a technical talk on “Fundamentals and Applications of CFD in Aeronautical Engineering” for students of Mechanical Engineering.

The resource person of this event was Dr.Anand S N, Professor and Head, Department of Aeronautical Engineering, Mangalore Institute of Technology and Engineering, Moodbidri.

The program was presided by Dr. S.I ManjurBasha, Principal, Bearys Institute of Technology, Mangalore and Dr.Vasantha Kumar, Head of the department, Mechanical Engineering, BIT Mangalore. Ar. Ruksana Algur, Principal, BEADS Mangalore and Mr.Prithviraj M, Director, BIT Polytechnic witnessed the program.

The program was conducted at, “International Seminar Hall, BIT”, on 11th November 2022. The event started with Mr. Sheikh Kaif’s Masters of Ceremony initiation by addressing the gathering about the event and escorting of the dignitaries to the dais. Invocation by Mr.Shakir Ali and team of 7th sem Mechanical engineering, developed the aura for the program.

The program was welcomed by Dr.Vasantha Kumar, HOD, Department of Mechanical Engineering, BIT Mangalore. Principal Dr. S.I ManjurBasha gave the inaugural speech, in which he briefed about the new concepts of CFD requirements to core branches and advised students to take benefited with technical knowledge. Also he congratulated the Mechanical engineering department for organising such a good event.

Dr.Sateesh Kumar K, Assistant Professor, Department of Mechanical Engineering gave introduction of the Key note speaker.

Dr.Anand S N, Professor and Head, Department of Aeronautical Engineering, Mangalore Institute of Technology and Engineering, Moodbidri in his key note address explained the fundamentals of computational fluid dynamics and its application to different areas. He has shown the CFD analysis of the automobile, aeronautical, marine components and MATLAB programming to

Program Report:

An Invited talk on the Benefits of IEEE (Institute of Electrical and Electronics Engineers) Membership was organized on 30th July, 2022 at BIT. The resource persons for the event were Dr. Poornalatha, Associate Professor, I&CT Dept, MIT, Manipal and Present Chair IEEE Mangalore Subsection. Dr. Niranjana U C, President BMESI, Past Chair IEEE-Mangalore Subsection. Adjunct Professor, MIT Director Research and Training, MDN LABS. Mr. Aniket Shenoy, IEEE Region 10 student representative.

Dr. Abdullah Gubbi, HOD-ECE, BIT-Mangalore welcomed the gathering. The Session began with encouragement for becoming a Member of IEEE student Chapter by Mr. Aniket Shenoy. The goal of IEEE chapter is to bring technology for the betterment of humanity stated by Dr. Poornalatha. Dr. UC Niranjana handled the questions posed by students. The session has provided a good learning experience with questions and answers. The participants were the Students of Various Engineering Branches. The program concluded with the Vote of Thanks by Prof. Afsar Baig, HOD-CSE.

One Day Workshop on Creative Arts “Making Eco- Friendly Fabric Bags”

Bearys Institute of Technology Innoli Mangaluru organized a one day workshop on **“SKILLS TO NAVIGATE THROUGH 21ST CENTURY”** on 19-12-2019. Creating awareness on making eco friendly fabric bags for students was the main focus of the workshop. Participating as the resource person Mrs. HARINA J RAO, Craft Expert Mangaluru, taught the students how to make different types of cloth bags for domestic needs. Mrs. Rao has conducted over 1000+ craft classes all over Mangalore. The first year students of BIT actively took part in the workshop. Dr. S I Manjur Basha Principal BIT, Dr. Anjum Khan HOD Dept of Basic Science BIT, all the HODs of BIT, DR. Aziz Musthafa Director BIT Polytechnic, all the Faculties were present. The workshop was also intended to focus on the various steps that could be taken to safeguard our environment. The participants were advised to save our environment using cloth bags instead of plastic. The workshop was conducted as part of induction program for the students to navigate through 21st century for a better tomorrow.

Futuristic Technology: Department of ECE of Bearys Institute of Technology has organized a one-day interactive session on “Futuristic Technology” on 3rd May 2019. The session started at 11:00 AM at International Seminar Hall. Umer Salim, CEO, and MD of Dubai-based i4 Technologies is an Indian technocrat who is specialized in Electronics and Communication Engineering was the guest of honor for the event. He delivered lecture on “Futuristic Technology” and its growth. In his talk, he gave the details about Printable electronics, or printed electronics, polymer electronics, organic electronics or plastic electronics, is the cutting-edge technology for creating fully functional active and passive electrically functional electronic or optical components on flexible/rigid polymer/glass substrates by using precision printing and deposition methods. The program was witnessed by various Department Heads and Faculties. This session helped the faculties and students to gain knowledge of research in the area of the above domains. The interaction with the speaker also helped a few students to get different project ideas.

WORKSHOP ON BRIDGING THE GAP BETWEEN ACADEMIA

Date: 16-11-2018

Department of Computer Science Conducted workshop on Bridging the gap between academia and Industry on 16-11-2018. Dr A J Antony started the program with a flair and appreciated department of CSE for conducting good events one after the other. Dr Mustafa Basthikodi welcomed Shihab and also spoke gave some key tips to the students to become not just a good employee but a great employee. Dr Aziz Musthafa also spoke regarding the importance of putting something extra effort during the engineering days that will make them stand out from the crowd.

Young talents were given certificates and token of appreciation by the department for their outstanding effort and support for building apps and video editing.

Mr. Shihab Kalandar, CCO and Co-Founder of Novigo Solution was the resource person. He interacted with all the students of the Computer Science Department and threw light in the areas at what the industry is actually expecting from budding engineers and how one can mould themselves to achieve the same. He also explained his own journey as a student to an entrepreneur. Students were highly inspired by the session.

INAUGURATION OF CEABIT ACTIVITIES 2018

Date: 11-10-2018

Department of Computer Science and Engineering, Bearys Institute of Technology, Inaugurated the CEABIT activities on 11 Oct 2018 which was held at 11:00 am at “International Seminar Hall”. The main motto of the association is to create a space to CSE students to showcase their talents in technical and non-technical events. The dignitaries on the dais were the Chief Guest for the program Mr.Vishnu Shashank, Entrepreneur, founder and CEO of AyusCare, Dr. Antony A.J., Principal, BIT, Dr. Musthafa Basthikodi, HOD, CSE Department, Dr. Mahabaleshvara, Dean of the academics, Prof. Vivekananda Huddar, HOD, Mechanical Department, Prof. Purushothama, HOD, Civil Department, Dr. Aziz Musthafa, Principal, BIT Polytechnic, Prof. Poornima B.V., Chief coordinator of CEABIT, Mr.Khalid Akram, President, CEABIT.

The welcome speech was given by Ms.Sunehra Mariyam, 3rd sem CSE, she also gave a brief introduction about the Chief Guest Mr.Vishnu Shashank. Mr. Khalid Akram concluded the Inauguration Ceremony with the Vote of Thanks. Ms.Aysha Suha, 7th sem CSE was the Master of Ceremony. The Principal BIT, Dr.Antony A.J. spoke few words about the program and appreciated the team who worked for it. His speech was followed by the interesting talk by Dr. Aziz Musthafa was enlightened the gathering about the advancement of technologies in the world today. Dr. Musthafa Basthikodi then gave a brief history about the CEABIT and explained the motto of installation of the association. The badges were handed over to the Office Bearers including the Chief Patron and the Chief Coordinator.

The program continued with the Installation of the Office Bearers of CEABIT where Dr. Musthafa Basthikodi as the Chief Patron guided the Office Bearers reminding them of their duty. The Oath was received by Mr.Khalid Akram as the President, Ms.Mariyam Tahseen as Secretary, Mr.Ansari Abdullah as Treasurer, Ms.Abida Shama as Vice President1, Mr.Thameem as Vice President2, Mr.Mohammed Sadiq as Joint Secretary1, Mr.Shankara Gowda as Joint Secretary2.

The Technical Talk was on “Role of Technology in HealthCare and Entrepreneurship” by the Chief Guest Mr.Vishnu Shashank. He is an experienced technologist with strong product development skills, in depth of understanding the health tech domain, successfully conceptualized, launched and working on the growth of the product AyusCare. He made his session interesting by sharing his experience as an Entrepreneur, challenges he had to face, and his journey towards the success. His demonstration on the role of technologies involved in Health Care was the valuable addition to his session. He encouraged the gathering to be an Entrepreneur by explaining a few keys to success in this field.

The session was concluded by facilitating the Chief guest with the memento and the formal function was concluded with the Vote of Thanks. This function concluded by promising the beginning of the workshop on “Bootstrap”. This workshop was conducted by Mr. Abdul Khader, Asst. Professor, Department of CSE. A maximum number of students participated in this workshop. The afternoon session commenced with the quiz competition which was held at computer labs, CSE Department. A great number of students participated in this competition and made this event a grand success.

REPORT ON SEMINAR CONDUCTED FOR SOFT SKILLS DEVELOPMENT

RESOURCE PERSON: Mr. Dikshith Rai

TOPIC: Exposure to Entrepreneurship

DATE: 30-08-2018

TIME: 2.00 PM to 5.00 PM

Setting up own company is a dream most of us cherish. But entrepreneurship is not an easy thing and involves many risks. Mr. Dikshith Raj, Founder of Code Craft Technologies in Mangaluru, enlightened the students on the topic with his session on “Exposure to Entrepreneurship”. He opened the door to the world of entrepreneurship for the students and detailed them about how they can be entrepreneurs and excel in their life.

Different programs were staged on “Mental Wellbeing” by School of Social Works, Roshni Nilaya, Mangaluru. Prof. Sandra Sunitha Lobo, Associate Professor and HoD of Department of Psychology led the sessions. She detailed the students on the significance of keeping their mind healthy. The session highlighted the way people normally take in the life situations and how they react. The students of Roshni Nilaya presented a variety of programs on the theme, challenging the social norms and behaviours. Prof. Sandra concluded the session requesting the students to talk out their problems and not to suppress their emotions and feelings. The students were very excited and happy with the presentations and expressed their hearty gratitude to Prof. Sandra and the students of Roshni Nilaya for such an illuminating session

A TALK ON INTERNET OF THINGS(IOT)

Date: 21-02-2018

A Talk on Internet of Things(IoT) at BIT: The Computer Engineering Association of BIT (CEABIT) organized a invited talk on “Internet of Things(IoT)” at Bearys Institute of Technology, Innoli, Mangalore .

Dr. K Chandrasekaran, Professor, NITK Surathkal was the chief guest and speaker for the function. He started talk by highlighting various aspects of the Internet of Things. Then, a speaker covered a wide range of topics including how to design clothing and architecture for IoT,exploring IoT’s potential applications while addressing security threats, and providing insight into the exponential advancement of technology and what we can expect from the future of the internet.He also said that IoT is naturally built in day to day activities and now a days its possible to build artificially. Continuing he mentioned different real-time applications of IoT and the importance of learning about IoT.

Prof. Mustafa Basthikodi, the HOD of CSE, briefed about the association activities and motivated the student fraternity about the need of cocurricular activities for overall development by differentiating schooling from education.

Dr. A J Antony, the Principal of BIT was presided over the function and mentioned in his talk that the department association is a platform to showcase the student talents and also encouraged the students to take part in various co-curricular activities.

Dr. Aziz Mustafa, Professor of CSE Department in his motivational address, conveyed the importance of teamwork. Also defined simple way of understanding about IoT as simple as: it’s about connecting devices over the internet, letting them talk to us, applications, and each other. The third year CSE students, Ms. Lubna Mohammed welcomed gathering, Ms. Khadeejath Dilnaz concluded the program with the vote of thanks. Ms. Aysha Suha was the master of ceremony.

RUBY ON RAILS WORKSHOP

Date: 13-10-2017 & 14-10-2017

Department of computer science in association with Mindstack technologies Pvt Ltd organized a workshop from 13-10-2017 to 14-10-2017 on introduction to ruby on rails for the final year students of all the branches. The workshop started with the welcome speech by prof. Mustafa Basthikodi. In the welcome speech, Prof. Mustafa B welcomed all the dignitaries and welcomed the students. He also mentioned the importance of such workshop to make the student's industry ready.

The inaugural speech was given by Dr A J Antony in which he mentioned BIT always entertains such extra inputs to the students which is extremely beneficial for the students. Dr S. K Raikar also added few words to close the formal function. The workshop was organized by Asst. Professor Abdul Khader. The resource persons were Mr Shazad Maved, Director, Mindstack technologies Pvt Ltd. and Mr Vimesh P K, Sr. Developer Mindstack technologies. The students had a hands-on experience to ruby on rails which the students enjoyed and helped them in a great manner.

SUMMARY REPORT ON CFD SOFTWARE TRAINING

Beneficiary: Final year Mechanical Engineering students

Co-ordinators:

- 1) **Prof. Mohammed Asadullah (Associate Professor, Mechanical Engg. Dept.)**
- 2) **Prof. Imran Mokashi (Assistant Professor, Mechanical Engg. Dept.)**

Organised by: Research and development cell Mechanical Engineering Department.

Training Institute: Aerotrix, a division of Skyfi Labs, Bangalore

Venue: CAMA/CIM LAB, "BLOCK-B". Beary's Institute of Technology, Mangalore

Date & Time: 6 to 13 Feb 2017 from 9:00 a.m. to 5:00 p.m.

Agenda:

- 1) To groom subject knowledge of students in the field of FLUID MECHANICS and GAS DYNAMICS.
- 2) Real-time mechanical engineering problems synthesis and analyzing
- 3) Low speed to high speed fluid flow problems validation with experimentation in the Supersonic Lab

Training Highlights:

- 1) Program was inaugurated by Dr. Abdul Kareem, Principal BIT Mangalore by giving an insight to research trends in the field of CAE. A Memorandum of Understanding was signed between BIT, Mangalore and Aerotrix, a division of Skyfi Labs, Bangalore.
- 2) Group of 20 students of final year Mechanical Engineering got hand on experience on CFD software and also learned to use conservation, momentum and energy equations for flow problems. NS equations were also briefed.
- 3) Mini projects on piping system, Blower flow visualization, Room Air conditioning, Car with passive controls and CD Nozzle were covered especially to facilitate students doing their Technical Projects using the Supersonic Lab research facility of BIT, Mangalore.
- 4) Hyperworks (CFD Software) with a license of 1 year was provided to each student by ALTAIR INC.
- 5) Students were trained for problem solving in low Reynolds number to very high Reynolds number.
- 6) Distinction Certification was awarded to two students namely Noufal and Hussain for their outstanding problem solving skills.
- 7) ALTAIR CERTIFICATION for CFD course completion will be awarded to all the 20 participants.

SUMMARY REPORT ON TWO DAYS WORKSHOP ON “LabVIEW” TRAINING

Beneficiary: Final year Mechanical Engineering students

Co-ordinators:

- 1) **Prof. Mohammed Asadullah (Associate Professor, Mechanical Engg. Dept.)**
- 2) **Prof. Imran Mokashi (Assistant Professor, Mechanical Engg. Dept.)**

Organised by: Research and development cell Mechanical Engineering Department.

Training Institute: Embedded Systems Solutions, a division of National Instruments, Bangalore

Venue: Bearys Institute of Technology, Mangalore

Date & Time: 27th to 28th May 2017 from 9:00 a.m. to 6:00 p.m.

Agenda:

- 1) LabVIEW basic programming for Real-time mechanical engineering problems
- 2) DAQ for high speed fluid flow problems with experimentation in the Supersonic Lab

Training Highlights:

- 1) Program was inaugurated by Dr. Abdul Kareem, Principal BIT Mangalore by giving an insight to research trends in the field of CAE. A Memorandum of Understanding was signed between BIT, Mangalore and Embedded Systems Solutions, a division of NI, Bangalore.
- 2) Group of 16 students of final year Mechanical Engineering got hand on experience on LabVIEW software.
- 3) High Speed Nozzle exit pressures were measured by using LabVIEW software especially to facilitate students doing their Technical Projects using the Supersonic Lab research facility of BIT, Mangalore.
- 4) LabVIEW Software (version 2017) with lifetime license was provided to each student by NI marketed by ESS.
- 5) Students were trained for problem solving for compressible flows at high speeds.
- 6) CERTIFICATE OF PARTICIPATION for LabVIEW and its application conducted on May 27th and May 28th 2017 was being awarded to all the 16 participants.
