Mangalore, Sec. 17: BIT (Barry's Institute of Technology), BEADS (Barry's Enviro Architecture Design School) and BIES (Barry's Institute of Emerging Sciences) group institutes celebrated World Green Building Week on 17th September with 'International Coastal Cleanup Day'.

Barry's Institute of Technology (BIT), Barry's Enviro-Architecture Design School (BEADS), and Barry's Institute of Emerging Sciences (BIES) celebrated Mangalore's World Green Building Week by organizing ``Swachha Sagar, Safer Sagar" at Ullala Beach on 17th September 2022 as International Coastal Cleanup Day. have identified

Barris Group's vision is to contribute significantly to a progressive, peaceful green world by creating leaders in every field of science and technology. Its campus reflects Barry's Group's sustainable green vision and introduces the concept of a future of learning where nature and nurture come together to inspire young minds to become advocates of sustainable green construction and eco-conscious leaders of a global world.

The world is under the constant threat of climate change, with recurring extreme droughts, storms, heat waves, rising sea levels, melting glaciers and warming oceans directly harming animals. It is destroying their habitats. Not only that, it can wreak havoc on people's livelihoods and communities. As climate change worsens, dangerous weather events are becoming more severe. Because of this, the

responsibilities of humans to save the earth have increased manifold. Use of energy and infrastructure saving technologies, energy conservation; Efforts to find renewable energy sources, green buildings and many plants/trees embedded in buildings, adaptation to global warming or policies to reduce greenhouse gas emissions, etc.;

The goal of the beach cleanup is to raise awareness among people about marine pollution and contribute to reducing litter and plastic in the ocean. Students of the institute displayed banners and slogans on environmental cleanliness at Ullala beach to create public awareness. Gloves, sanitizer and cleaning bags were distributed to the participants.

The program was inaugurated by Abubakar Siddique Bari, Director of Baris Group. Principals of BIT, BEADS and BIES along with Heads of various departments, teaching staff and non-teaching staff joined hands with students of Barry's Group of Educational Institutions to clean the Ullala beach.

Plantation program and green painting competitions were organized by BIT on this occasion. As part of the World Green Building Week, BIT Mechanical Engineering Department organized a quiz competition on water conservation and waste management at Pavur Government High School on September 14.

July 7: The Covid-19 vaccination campaign and Blood donation camp was launched on 6th July, Tuesday at the Bearys Institute of Technology in collaboration with Indian red cross society(IRC) of Mangalore.

Principal of BIT, Dr. Manjur Basha delivered the welcome speech. Followed by Dr. Aziz Mustafa spoke and gave the importance of Vaccination. The chief guest of the event Dr. JN Bhatt, Indian red cross society of Mangalore launched the covid-19 vaccine campaign and Blood donation camp.

The other dignitaries on the dais were Dr. Sunitha, PHC Boliyar, Mr. Praveen kumar, Dist coordinator, IRC, Mangalore. Mr. Siddique, Member SDRT, IRC, Mr. Mohammad Shaheer, Member IRC. The coordinator for this event were, Prof. Zaheer Ahmed, HOD, Civil Dept, BIT and Mr. Rafeeq of BIT.

Dr. Bhatt, in his speech, spoke and said that the corona is spreading fast like fire and vaccine shield is needed to fight corona. The vaccine will help to boost immunity in the body. Students are the wealth of the country but the academic progress of the students is inhibited by this corona epidemic. The government launches a vaccine campaign on the college campus for the benefit of the students and faculties.

Dr. Bhatt stressed that, we should be aware of the vaccine and motivate everyone around us should to be vaccinated. It is everyone's responsibility to vaccinate and keep society healthy. Despite the immunity, the vaccine does not have any adverse effects. The program concluded on 7th July at 4:30 PM.

Topic: “Yoga Session”

16 February 2021

Prepared by: Prof Altamash,	Co-ordinators Prof Altamash, Prof Vijay & Prof Mohd Minhajuddin Assistant Professors	Prof. Zaheer Ahmed Head of the Department	Dr. S.I. Manjur Basha Principal
---	--	--	---

A few minutes of Yoga during the day can be a great way to get rid of stress that accumulates daily, in both, body and the mind. Yoga postures, Pranayama and meditation are effective techniques to release stress.

Meditation is relaxation and rejuvenates the body and mind. With this aim in mind, a workshop was organised by Department of Civil Engineering on the 16 February 2021, for the hostel students of Bearys Institute of Technology. The yoga instructor, Mr. Punit Kumar, took yoga session with great dedication. The student participated with full interest, enthusiasm, and eagerness.

The session began by seeking the blessings of the Almighty. Asanas starting with warming up and stretching were followed by a series of Padmasanas, Sukhasan, Tadasana, BhujangAsana and ending with Shavasana. Exercises for relieving stress, reducing joint pain and enhancing the flexibility of the back were also done for the benefit of the students.

The Prof Altamash motivated the students and conveyed the importance of making yoga an integral part of our daily life. The session concluded with an interactive session between the Prof. Minhaj, Instructor and the students in which the queries of the students were addressed satisfactorily. The session was very refreshing, reviving and relaxing

MAKING MEDICAL MASKS AT HOME

The Bearys Institute of Technology (BIT) students have come up with homemade masks to protect from corona virus. Ms. Afeefa and Ms. Priya of computer Science Engineering have designed the mask which is made from easily available materials at home like cloth bag, elastic, needle and thread. The students told they wanted to do something on their part to fight this pandemic. They were of the opinion that with the shortage of PPE and N95 masks, it's our duty to make masks at home and use so that the N95 masks are easily available for the medical professionals and others who are fighting out there for us. Mr. Syed Mohamed Beary, Chairman of Bearys group appreciated the students for their efforts and concern. Principal, Dr. S.I Manjur Basha lauded their timely action. The Heads and faculties of BIT Engineering, Polytechnic and BEADS have distributed the masks locally.

REPORT ON YOGA DAY

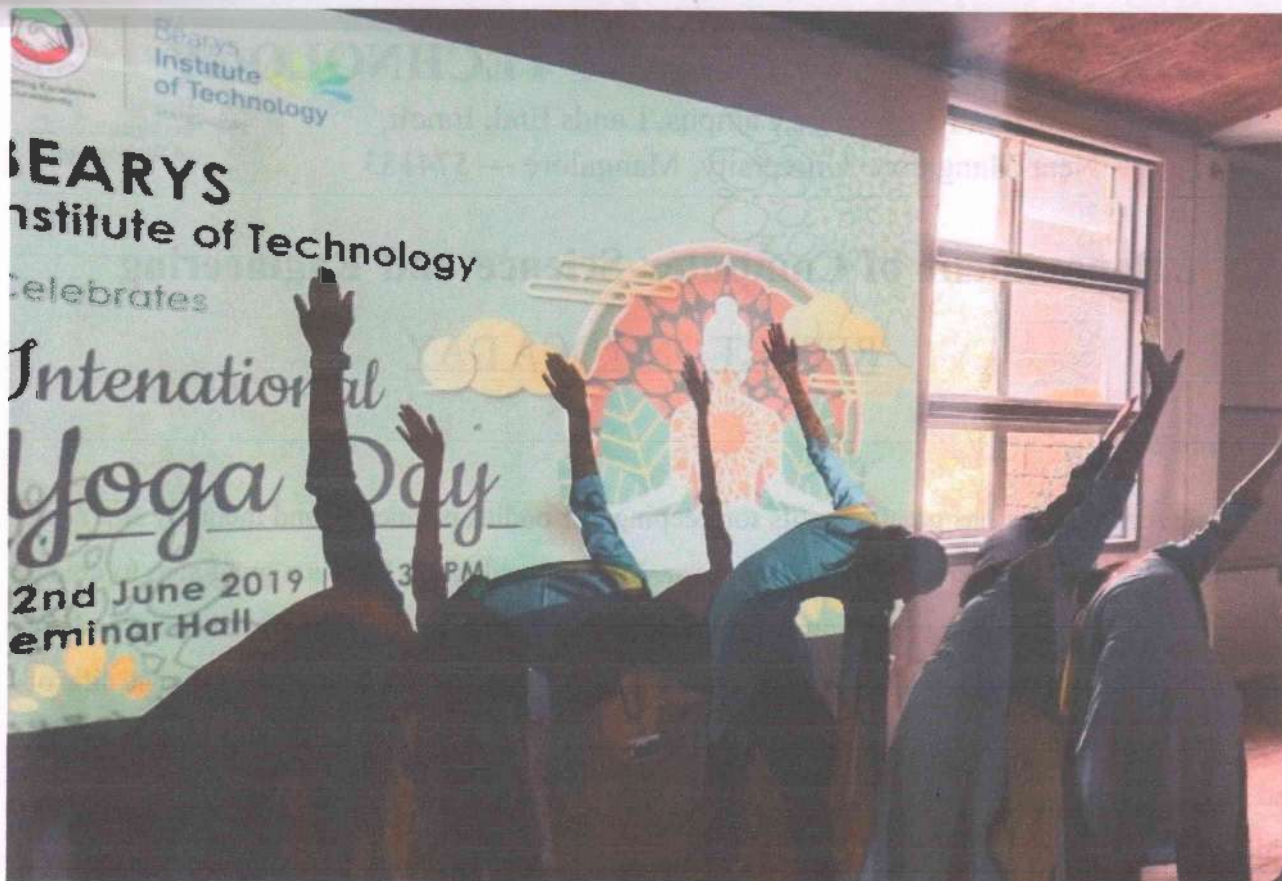

22nd June 2019

Practicing regular yoga has great benefits for keeping our bodies physically and mentally fit. Yoga helps students increase their concentration power. International Yoga Day is a great step to create awareness about yoga among the common folk. International yoga day was celebrated on 22- June 2019 led by Professor poornima (dept of cse) explained the importance of Yoga in the life of youngsters. She explained that regular practice of Yoga will help the students achieve better mental and physical health. Professor poornima started Yoga demonstrations with the Yoga prayer. After which a few warm up and simple Asanas were performed by the students enthusiastically and the importance of these Asanas was explained simultaneously by Professor poornima department of computer science.

SPEAKER(s)

Prof. PURUSHOTHAMA CT

Professor and HoD
Department of Civil Engineering
Bearys Institute of Technology

Mobile No: 9986322105

Email: puruhassan2017@gmail.com

Prof. Purushothama C T is currently Head of the department, Civil Engineering at Bearys Institute of Technology, Mangaluru. He is having more than 30 years of teaching experience and also having 5 years of Research Experience. He was served in various institutions in Karnataka. He has taught almost all Civil engineering Subjects and his area of interest is 'Sustainable Development'. He has guided more than 25 UG and 8 PG batches. He has published papers in reputed journals.

Mr. SHOBHAN MAJUMDER

Assistant Professor
Department of Civil Engineering
Bearys Institute of Technology

Mobile No: 7892021637

Email: sadaoptimus@gmail.com

Mr. Shobhan Majumder currently working as Assistant Professor, Department of Civil Engineering at Bearys Institute of Technology, Mangaluru. He is having 1.5 years of Research Experience and 1 year of Teaching Experience. His area of interest is Environmental Engineering. He is having more than 10 research papers in various journals. He is currently Pursuing PhD in JSS Science and Technological University.

World Earth Day Celebration

Department of Civil Engineering, Bearys Institute of Technology (BIT) Mangaluru has celebrated World Earth Day on 22nd April, 2019. The theme of the special day was “Protect Our Species”. The speakers of this event were Prof. Purushothama CT, Head of the Department, Civil Engineering and Mr. Shobhan Majumder, Assistant Professor, Dept. of Civil Engineering. The program was started at 11:30 AM in the international seminar hall with all Civil Engineering Students. Prof. Purushothama CT has delivered a talk on Importance of World Earth Day and Sustainability in Biodiversity. However, Mr. Shobhan Majumder has highlighted the current scenario of Ecology and Environment and how to overcome the problems.

Dept. of Civil Engineering has also conducted a Quiz competition among 2nd, 3rd and final year students on ‘Extinct Species’. Mr. Poornesh and Ms. Rukiyath Rizwana from final year Civil Engineering students hosted the event. It was a 7 round Quiz competition and Final year Civil students secured the 1st Place.

On Behalf of Association of Civil Engineering on 27th Oct 2018 Department of Civil Engineering conducted cleanliness drive “Swath BIT” to create awareness among the students about the cleanliness of the BIT campus.

The campaign was started from the entrance of the college with some valuable speech about swath BIT by a third year civil engineering student Noman Ashraf.

Swatch BIT Campaign was started with the leadership of Head of Civil engineering department Prof Purushothama C T and the program was co-ordinate by Prof Jafar Abdulla and Prof. Harshith H J.

The students took the initiative to clean the surrounding of the college. All non degradable wastes are collected in polythene covers and taken for further safe disposal.

The total number of students who participated in the campaign was 50 and also about 20 teaching and non teaching faculties are also actively participated in this campaign.

Department of Electronics and Communication Engineering

Program Report

Department of Electronics and communication Engineering organized a session on “GOOD HEALTH HABITS” for ECE students. This session was conducted on 10th march 2018 by Prof. Mubeena parveen Taj, Associate professor, Department of ECE. The resource person elaborated about ill effects of bad habits in student life and how to overcome it. Students from 2nd and 3rd year ECE actively participated. The event ended with question answer session.

Session II Proficiency Modules :Exposure to soft skills using computers M S office, Power point & Excel and tutorial class on the same topic.

Organized & conducted by Pro. AfsarBaig, HOD CSE

The department of CS&E conducted a session giving the students an exposure to the basics of computer skills. The program stressed on the need of computers for engineers and gave a deep insight into the computer hardware. A demo of hardware and assembly was also staged for the students and they were taught how to build their own PC. The students were also familiarised with different kinds of software and were also introduced to exposure to soft skills using computers M S office, Power point & Excel and tutorial classes on soft skills learning using computers M S office, Power point & Excel, with small group of students.

INDUCTION PROGRAMME FOR FIRST YEAR STUDENTS 2021-22

Date: 15/12/2021

Session: Exposure to soft skills using computers M S office, Power point & Excel and tutorial class on the same topic
