A Futuristic Institutional Developmental Plan (IDP) for BIT

Sl. No.	Short term goals and plans (2022 to 2028)
1	Academic perspective:
	1.1 To start more number of Programmes under BAL including interdisciplinary areas (Pharmacy, BCOM).
	1.2 To collaborate with Industries and set up 2 Incubation centres and start-ups on campus and thus make students be involved in innovation of ideas, products and processes.
2	Students Welfare perspective:
	2.1 To provide special skill development courses provided by Trainers from Industries, to render learners workplace ready.
	2.2 To further increase the number of Students funded project by establishing interdisciplinary projects by ensuring that students enrol in training offered by Comedkares of GOK and other start-ups.
	2.3 To get students placed in good MNCs with notable compensations.
	2.4 Increase the pass percentage of students and reduce the backlogs.
3	Research Perspective
	3.1 To increase the number of Research project funding and research publications of faculty.
	3.2 To ensure that most faculty obtain PhD degree and thus upgrade their qualifications.
