Short term and Long Term goals and plans of BIT (2017 to 2027)

Sl.No.	Short term goals (2017 to 2022)	Outcomes	Sl.No.	Long term goals (2022 to 2027)	Outcomes
1	To ensure that all departments adopt Outcome Based Education (OBE) in letter and spirit	a. OBE has been initiated for all courses from 2013 b. POs/COs and attainment were meticulously planned from 2020-21	1	Include IQAC as a part of Quality assurance and quality improvement.	IQAC has been formalized on 10-03-2021 and quality improvement initiatives have been initiated.
2	To improve the number of Faculty obtaining Research degrees and thus improve Research Publications and Research Project involvement.	Seven Faculty have obtained their PhD degrees	2	To motivate all Faculty to become PhD degree holders.	4 Faculty have obtained their PhD degrees and few more are pursuing their PhD.
3	To provide admission opportunities to all students and especially to academically- strong but economically-weak students.	Earnest efforts are being made to provide access and inclusions in admissions.	3	Provide ICT facilities to all Classrooms, seminar halls and Laboratories.	75% of the academic infrastructure is ICT enabled.

4	An ERP System to be adopted for admissions, administration and finance (e-governance).	A customized ERP (Dhi) has been adopted for admissions, administration and Finance (partially)	4	Implement NEP 2020 and undergo Training to understand the concepts of the same.	A discussion meet on NEP 2020 was held and planning is underway for its implementation as per State norms.
5	To provide special skill development courses offered by BIT.	Spoken language and communication have been adopted and other soft skills provided by 10 SECONDS.	5	To obtain NBA accreditation for all programmes run by the Institution.	Preparations for NBA accreditation preparations are underway.
			6	Obtaining NAAC accreditation by 2023-2024	Institution has submitted the IQA and the SSR is being prepared for submission in the last week of August 2023.
