Aon's Assessment Solutions Online Session for 2021 batch passing out students - 28.08.2020

Online session was scheduled for pre-final year 2021 batch passing out students from 11.00AM to 11.45AM on 28.08.2020. Mr. G Vidyaranya Sharma, Associate - Institutions, Aon's Assessment Solutions was the resource person for the event.

The detailed insight into the platform was provided by Mr. Vidyaranya Sharma. The test pattern and the opportunities available were explained to the students.

Aon Assessment Solutions has a broad spectrum of assessments for hard and soft skills. Online assessments consist of several tests or questionnaires to be completed by the candidate. Depending on the position applied for, various abilities and characteristics are evaluated of the candidate.

Mr. Vidyaranya informed about **CoCubes Pre-assess – an employability test** to assess students across range of skills like aptitude, technical, personality, coding and domain knowledge. He informed that this score will be used by 200+corporates across india for hiring. Once the students register in this platform, they will be provided with lifelong valid login credentials.

TRAINING AND PLACEMENT DEPARTMENT

Online session of Silver Peak Global - Career Opportunity in Japan was conducted on 09.09.2020

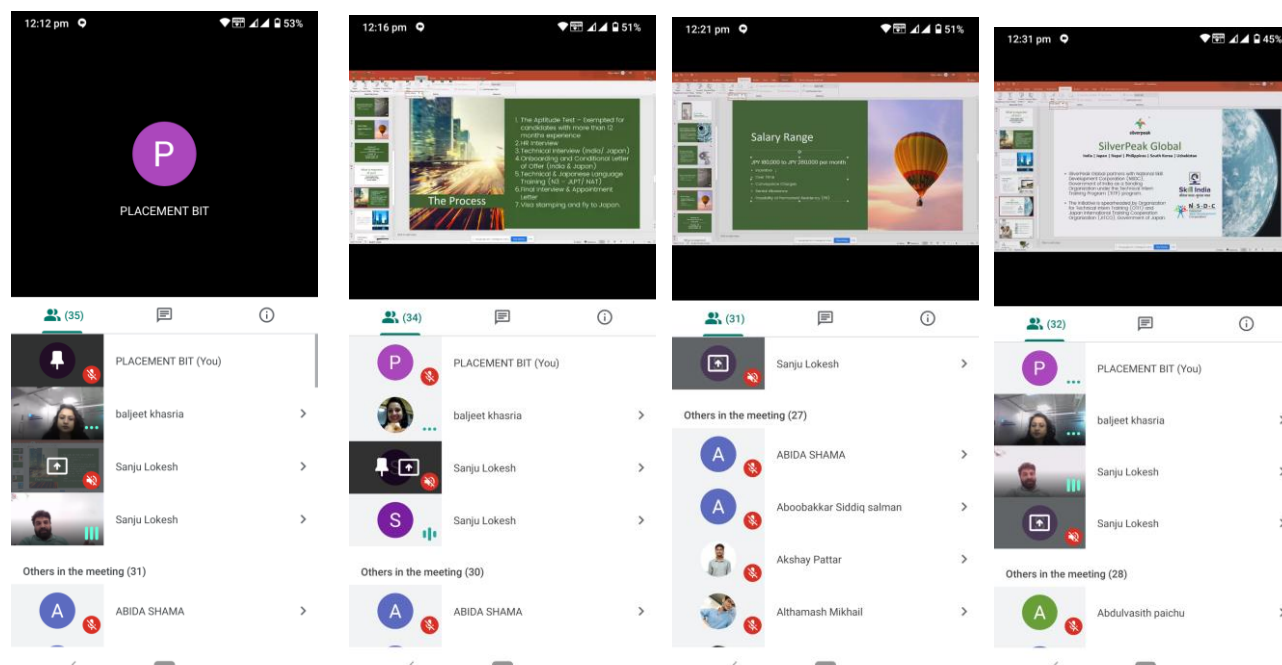

A brief introduction about Silver Peak Global was given to the participants. Mr. Sanju Verma, VP - Operations, SPG was the resource person for this session. He explained how SPG facilitates career opportunities for Engineers/Graduates and BCA/MCA students in Japanese companies in Japan and across the Globe. Mr. Sanju Verma said that Since Japan is a rapidly aging country and is in immediate need of trained and skilled manpower, especially in the field of IT. The requirement is as high as 200,000 engineers in the next 2 to 3 years alone. The only barrier that separates Indians from taking advantage of this opportunity is the requirement of Japanese (Nihongo) Language Skills.SP.G guides the students in going ahead with this certification process and then to have a career in Japan.

Two types of programs:

PROGRAM 1 - 14 months Japanese Language Program - Student Visa

PROGRAM 2 - 9 months Industry Oriented Program (IOP) - Work Visa

The session was attended by nearly 35 students from the 2020 passing out batch.

TECHNICAL TALK

Our Guest Er. Sriraman.V delivered a technical talk on “Introduction to Construction Management and Job Opportunities in the Industry”. He described and explained the present scenario of industrial requirement.

He started the interaction with a quote saying ‘young minds-energetic minds’ and mentioned his objective is to impart industrial exposure and the need of skilllets for the fresher’s. He said Civil Engineering is the master of all Engineering. He gave an example; the world without a Civil Engineer is like an earth without gravitational force.

He showed very complicated and beautiful structures constructed throughout the world and inspired students to build such structures in our state Karnataka. He explained about construction and how the materials management used in Taj Mahal which was built 400 years ago.

He pointed out why there is gap between Academic and Industry, and explained the actual reasons behind this. Then he described the difference between Indian and abroad construction procedure. In India one-year for planning and 5-year of execution, whereas in abroad 5-year of planning and 1-year for execution.

He said Industry does not want Civil Engineers! But they want planning, Costing, Procurement, Quality, Execution, Safety Engineer and explained all these in brief to the students.

PARTICIPANTS:

- Faculty of B.I.T – 15 members
- Students of B.I.T– 29 members

FEEDBACK:

All participants were happy with topic and presentation; everybody mentioned that the overview of “Introduction to construction management and job opportunities in the industry” was very interesting, useful and gained knowledge about how to improve our skills to get a good professional.
