INTERNATIONAL CULTURAL JAMBOREE SCIENCE EXHIBITION REPORT

- Event** : International Cultural Jamboree-Science Exhibition, ALVAS Moodbidri
- Date** : 21-27 December 2022 (07 Day)
- Theme** : Participation in Science Exhibition by Final Year Students of Mechanical Engineering, BIT Mangalore
- Purpose of the event** : The Bharat Scouts and Guides International Cultural Jamboree, Science Mela was organized to showcase the talents and skills of young people. The event aimed to promote cultural exchange, teamwork, and leadership among participants. The event featured a variety of activities such as science mela, art and exhibitions.
- Attendees** : The event was attended by young people from various states, as well as professionals from fields such as the Navy and ISRO. The event also featured keynote speeches and presentations by industry experts.
- Summary** : The Department of Mechanical Engineering, BIT Mangalore participated in the event. The excerpts of which are as summarized below.
- Mechanical Engineering Department** : Swasthik, and Dritha kumar, participated in the event and presented our project "**Solar Operated Unmanned Lake Cleaning Boat To Clean Devika Nagar Lake, Adyar Mangalore**" at the exhibition. They set up a display that included a model of the boat and a presentation that explained the concept, design, and technical aspects of the project. They demonstrated how the boat works using the model.

**Objectives of the project:**

The objective was to present the project "**Solar Operated Unmanned Lake Cleaning Boat To Clean Devika Nagar Lake, Adyar Mangalore**" at the exhibition, which aimed to provide a sustainable solution to the problem of lake pollution. The project aimed to demonstrate how advanced technology can be used to address environmental issues.

**Description of the project:**

The Automatic lake cleaning boat is a self-controlled boat that uses advanced technology to clean the lakes. The boat is equipped with sensors that detect the level of pollution in the water, and it automatically starts the cleaning process. The boat is equipped with a variety of cleaning tools such as filters, skimmers, and suction devices. The boat can also be remotely

Vartha Bharti Sep 17, 2022, 8:49 PM IST

Mangalore, Sec. 17: BIT (Barry's Institute of Technology), BEADS (Barry's Enviro Architecture Design School) and BIES (Barry's Institute of Emerging Sciences) group institutes celebrated World Green Building Week on 17th September with 'International Coastal Cleanup Day'.

Barry's Institute of Technology (BIT), Barry's Enviro-Architecture Design School (BEADS), and Barry's Institute of Emerging Sciences (BIES) celebrated Mangalore's World Green Building Week by organizing ``Swachha Sagar, Safer Sagar" at Ullala Beach on 17th September 2022 as International Coastal Cleanup Day. have identified

Barris Group's vision is to contribute significantly to a progressive, peaceful green world by creating leaders in every field of science and technology. Its campus reflects Barry's Group's sustainable green vision and introduces the concept of a future of learning where nature and nurture come together to inspire young minds to become advocates of sustainable green construction and eco-conscious leaders of a global world.

The world is under the constant threat of climate change, with recurring extreme droughts, storms, heat waves, rising sea levels, melting glaciers and warming oceans directly harming animals. It is destroying their habitats. Not only that, it can wreak havoc on people's livelihoods and communities. As climate change worsens, dangerous weather events are becoming more severe. Because of this, the responsibilities of humans to save the earth have increased manifold. Use of energy and infrastructure saving technologies, energy conservation; Efforts to find renewable energy sources, green buildings and many plants/trees embedded in buildings, adaptation to global warming or policies to reduce greenhouse gas emissions, etc.;

The goal of the beach cleanup is to raise awareness among people about marine pollution and contribute to reducing litter and plastic in the ocean. Students of the institute displayed banners and slogans on environmental cleanliness at Ullala beach to create public awareness. Gloves, sanitizer and cleaning bags were distributed to the participants.

The program was inaugurated by Abubakar Siddique Bari, Director of Baris Group. Principals of BIT, BEADS and BIES along with Heads of various departments, teaching staff and non-teaching staff joined hands with students of Barry's Group of Educational Institutions to clean the Ullala beach.

Plantation program and green painting competitions were organized by BIT on this occasion. As part of the World Green Building Week, BIT Mechanical Engineering Department organized a quiz competition on water conservation and waste management at Pavur Government High School on September 14.

### DEXTRIX FEST '22

**Date: 18-07-2022 & 19-07-2022**

The Dextrix fest '22 was conducted by BIT Mangaluru in association with the Department of Computer Science & Engineering on the 18th & 19th of July. The fest was a great success and saw a lot of participation from students & staff. The fest was a great opportunity for students to showcase their talent and learn from each other.

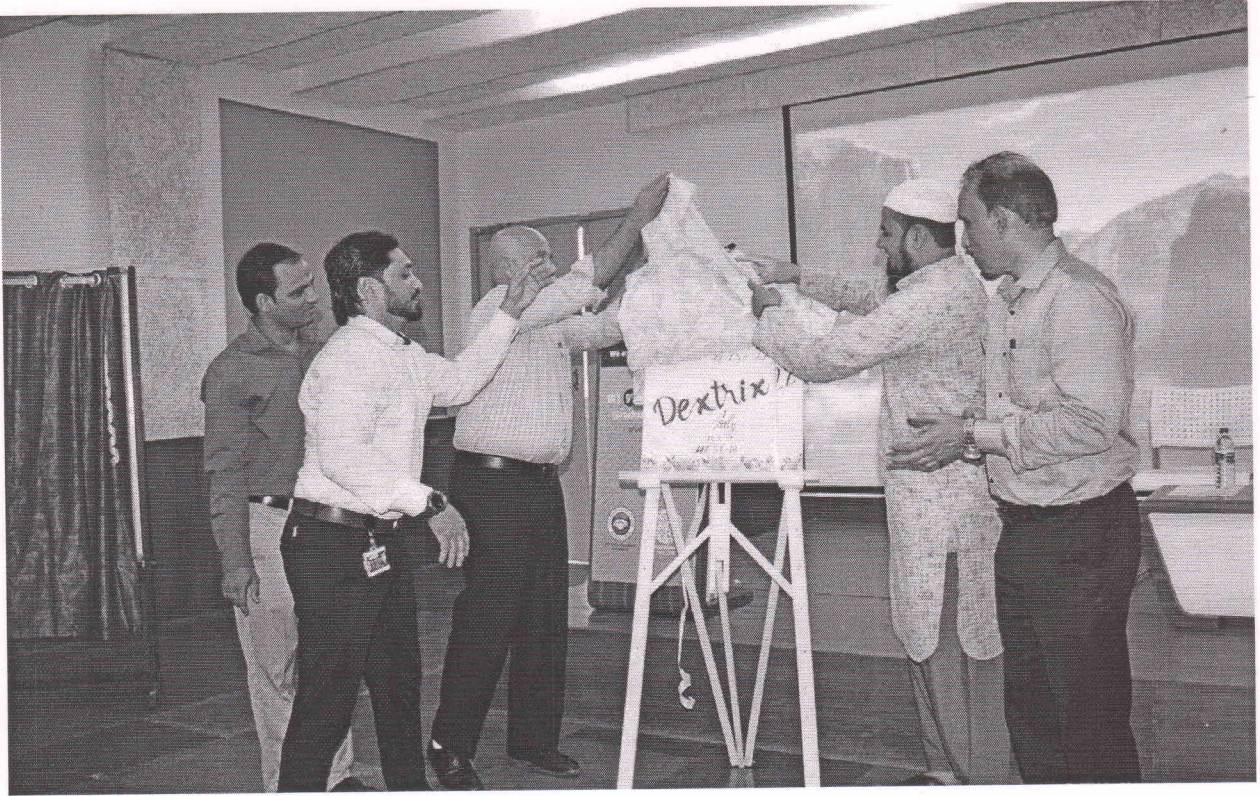

The fest started with a bang, with students participating in a variety of events. There was something for everyone at the fest and it was great to see students and professors having a great time.

The highlight of the fest were the lecturers, who spoke about the importance of research in computer science which was very inspiring and motivating for the students. The fest ended on a high note, with everyone having a blast and excited for the next edition of the Dextrix fest.

### Farewell Day Report:

On 21st July 2022 the students from 2nd and 3rd Years, arranged a farewell to the final year outgoing students. Farewell is basically a get-to-gather kind of celebration for the seniors who will be soon stepping out of the institute. Hence juniors wish their seniors a good luck for their next big adventures. The programs in various forms were conducted like singing, dancing, with motivational speeches, and by felicitating them.

The event began around 1.00 pm. The first event was with the theme “Every Ending has a new beginning” a singing competition and followed by fun games which were conducted by the juniors to the seniors such as pick the ball, pick and act, etc., All the students were felicitated by the faculties of ECE. Principal of BIT, Dr. Manjur Basha, while addressing the student, said how the students should prepare themselves for their future endeavors and wished them with his motivational speech. Dr. Abdullah Gubbi, HOD-ECE welcome the gathering.

### BIT farewell function – 2018 – 2022

**Date: 20-07-2022**

**Mangaluru:** A farewell function was held on the 20th of July for the students of Computer Science and Engineering batch 2018 – 2022 at the International Seminar Hall, BIT Mangalore. The event was a chance for students to say goodbye to their classmates and professors, and to reflect on their time at the university.

The department expressed gratitude to the outgoing students for their contributions and wished them all the best for their future endeavors. Staff and professors congratulated the students on their achievements, and spoke about the importance of learning computer science and engineering at BIT.

It was a successful farewell ceremony and everyone reminisced about the great time they shared in the classroom and the college campus.

Department of Civil Engineering celebrated its Annual Sports day (Khelotsav) on 30th June 2022. Students were participated in the various indoor and outdoor sports.

Sports is physical activity with an objective and definite aim. It helps in building skills. Skills like teamwork, leadership, patience, discipline, learning from failure, Sportsmanship, etc., are developed only when students play sports, and these skills are equally important when it comes to studies and management.

## Program Report: Bearys Football League 2022

Bearys Institute of Technology Mangalore, Karnataka, organized Bearys Football League 2022 on 16/06/2022. Our respected principal Dr S I manjur basha welcomed the gathering. In the inauguration ceremony the teams were introduced by the captains on the podium. The exhilarating match was attended by the U.T. Khadar, Member of Legislative assembly, Mangalore Constituency, as the Guest of Honour for the event. Distinguished guests present for the event were namely, Suhan Alva (Karnataka state General secretary NSUI), Sawad sulya (District President, NSUI Dakshin kannada). It was an exciting football match that took place on the BIT Arena.

The following teams were the participants for the tournament

Poposco won the match over Tech lions by an amazing margin of 3 goals. At the end of the match, the scoreline was 4-1. The match commenced at 3.00 p.m. as soon as the referee and the players entered the field. All of the participants were filled with great spirit and enthusiasm. The spectators from all sides of the area cheered for the players. Within a few seconds, excitement spread out among the spectators as attacks and counterattacks were offered by both the opponents at every moment. The first half came to a close with no goal. At the beginning of the second half, both teams grew furious. There was wild excitement on both sides. At the end of the event, the chief guest delivered a speech signifying the importance of arranging tournaments in the college. He encouraged the students for their laudable performances and felicitated the trophies. Awards and trophies were felicitated among the players.

## Walkathon and Greenathon 2021

The poster features logos for Bearys Education Since 1993, Mangalore University, World Green Building Council (IGBC), and Clean Green City City. The central text reads: 'Mangalore University, BIT & BEADS Celebrates World Green Building Week 2021 with Walkathon'. Below this, it says 'Come join us! Let us together make our campus Clean & Green with massive tree planting.' The event details are: 'On Saturday, September 25, 2021 at 7 a.m.' at 'Mangala Auditorium, Mangalore University' and 'Concluding at Bearys Knowledge Campus'. The poster also includes images of a university building and a classical building with a flag.

Bearys Institute of Technology (BIT) and Mangalore University have come together to celebrate World Green Building Week 2021 later this week.

The campaign will be celebrated by organising a walkathon on Saturday, September 25, here at the Mangala Auditorium, Mangalore University and will conclude at the Bearys Knowledge Campus.

The walkathon will be flagged off by Mangalore University Vice-chancellor Dr. P Subramanya at 7 am on Saturday at Mangala Auditorium and will conclude at Bearys Knowledge Campus with Bearys Group President Syed Mohammed Beary planting saplings.

The motto of the event will be to promote sustainable development, cleanliness and green environment.

## Walkathon and Greenathon

Mangaluru, Sep 25: The ‘Green Walkathon – 2021’ organized by Bearys Group was initiated in front of Mangala Auditorium of Mangalore University on Saturday September 25 morning. The Green Walkathon, which is a part of the International Green Week – 2021 that started from in front of the university’s Mangala Auditorium moved towards Bearys Turning Point at Deralakatte.

Mangalore University vice-chancellor, Dr P Subrahmanya Yadapadithaya, said that the environment will automatically become clean if our minds are clean. “We are following the policy of keeping our lives ahead of nature. For our lives to be saved, nature is very important. Therefore, we should join hands to conserve nature,” he stated.

Speaking after presiding over the programme, Bearys Group president, Syed Muhammad Beary, felt that there is a need to create awareness to encourage a clean and green city.

“Nature offers us several gifts. But it is important what we give in return to nature. We cut down many trees when constructing a house or building but we do not take care to plant a tree. Nature becomes green only if we keep planting the saplings. The walkathon is aimed at creating awareness about love of nature and clean environment,” he stated.

Syed Muhammad Beary said that environment in the world keeps on changing and it has cast grave influence on the human beings. “Therefore, the humans have to strive to protect our earth. We are nothing in front of nature. We are not bigger than nature. We will survive only if we preserve nature,” he stated.

BIT principal, Dr S I Manzoor Pasha, welcomed, BEADS principal A R Ashok Mendonca, Dr Azuz Mustafa, Venkatesh Pai, Santosh D’Souza, BIT – ECE head of the department, Dr Abdulla Gubbi and others were present.

### BIT farewell function – 2016 – 2020

**Date: 28-08-2020**

**Mangaluru:** A farewell function was held on the 28th of August 2020 for the students of Computer Science and Engineering batch 2016 – 2020 at the International Seminar Hall, BIT Mangalore. The event was a chance for students to say goodbye to their classmates and professors, and to reflect on their time at the university.

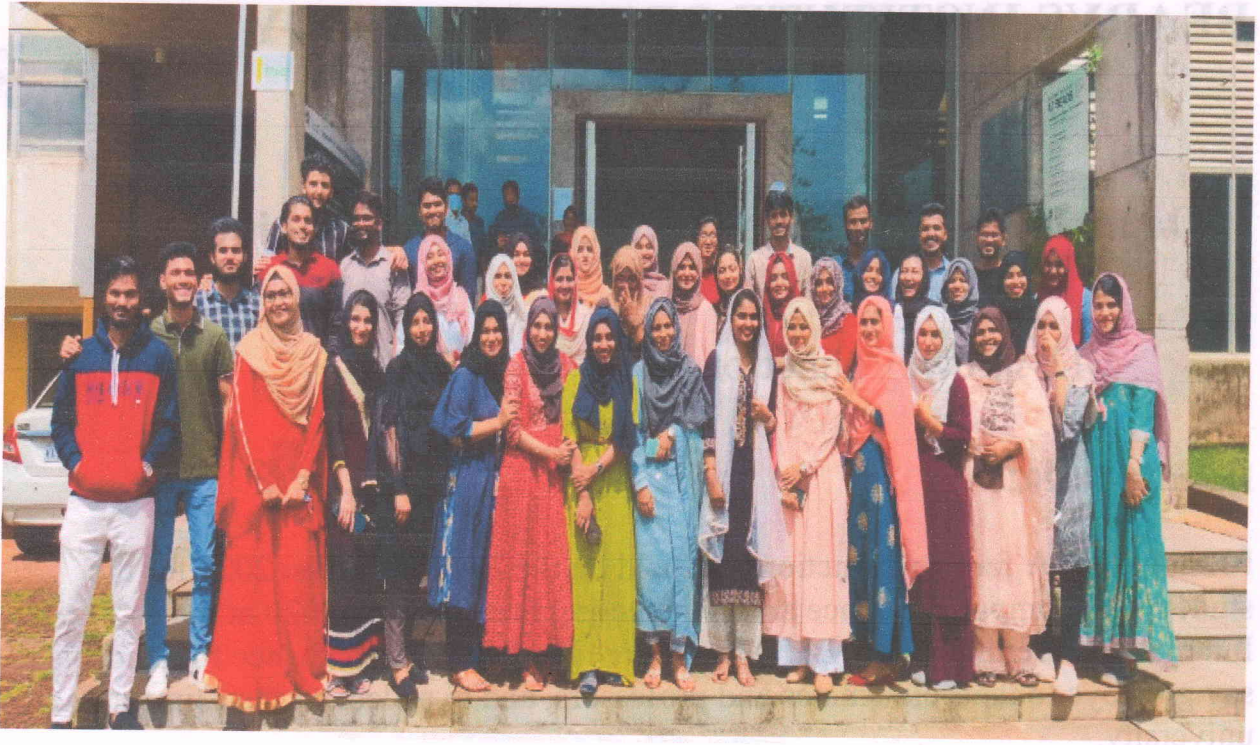

The department expressed gratitude to the outgoing students for their contributions and wished them all the best for their future endeavors. Staff and professors congratulated the students on their achievements, and spoke about the importance of learning computer science and engineering at BIT.

It was a successful farewell ceremony and everyone reminisced about the great time they shared in the classroom and the college campus.

# CULTURAL ACTIVITIES CONDUCTED IN THE COLLEGE LEVEL

## ONAM CELEBRATIONS – 2019

The students of BIT celebrated Onam in the traditional style at the campus on September 9, 2019. The Campus was filled with festive decorations which displayed the culture and tradition of Kerala. Students created a multi-coloured floral decoration on the ground in the entrance of our college called “Pookalam”, which is considered as a symbol for secularism. Wearing traditional clothes like Kasavu and the traditional off-white saree with golden border, students organized events such as group songs around the Pookalam, musical chair and Tug of war, Pillow fight etc.

### BIT farewell function – 2015 – 2019

**Date: 15-05-2019**

**Mangaluru:** A farewell function was held on the 15th of June 2019 for the students of Computer Science and Engineering batch 2015 – 2019 at the International Seminar Hall, BIT Mangalore. The event was a chance for students to say goodbye to their classmates and professors, and to reflect on their time at the university.

The department expressed gratitude to the outgoing students for their contributions and wished them all the best for their future endeavors. Staff and professors congratulated the students on their achievements, and spoke about the importance of learning computer science and engineering at BIT.

It was a successful farewell ceremony and everyone reminisced about the great time they shared in the classroom and the college campus.
