Your offer

Your offer is **conditional**.

Conditions

This offer is academically unconditional. In order to confirm your place you must pay a deposit of 5000 pounds sterling or provide satisfactory proof of sponsorship.

This offer is made subject to the above conditions, which you will need to meet before you can be accepted onto the course.

English language requirement

If your offer has an English language condition included, this is expressed as an IELTS requirement. If you do not have the required IELTS for entry, our [Pre-sessional courses](#) can help you to achieve this level.

Whilst we will accept tests of English other than IELTS, providing they are at the correct level for entry, if you are intending to undertake an IELTS we would recommend that you undertake one of the new UKVI Secure English Language Test (SELT) Academic IELTS or Trinity College Tests of English (UK only) – in light of recent changes made by the Home Office to English language provision.

Should you not meet the English language requirements for the course and need to undertake a pre-sessional English course we will be unable to accept any other English test providers as evidence of your English language ability for entry to the pre-sessional course.

Please visit the [Home Office website](#) for details of approved test centres where you may undertake one of the new style SELT IELTS.

Visa

You will have to obtain a visa to study in the UK before you can take up your place. For further information, please visit [our website](#).

Before you can apply for a visa, we have to issue you with a Certificate of Acceptance for Studies (CAS). We can only do so if you meet certain criteria, which are set out in our **Codes of Practice** document, included with this offer, relating to our sponsorship of International students. Please read the **Codes of Practice** carefully as it will apply to you if you accept this offer. Please note in particular that we reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted this offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at the University.

By requesting a CAS, you are confirming that you are fully aware of your responsibility to abide by the conditions of your Tier 4 visa, should a CAS be issued to you. This includes not exceeding working hour restrictions as stated on your visa/BRP, registering with the police (if applicable) and also your obligation to leave the UK when your visa expires. Further details about your responsibilities as a Tier 4 student are available on the [UKCISA website](#).

Your fees

Tuition fee 2022 £16000

The tuition fee for the 2022 academic year is set out above and is provided on the basis that you are an International student for fees purposes. If you are unsure or believe this is not the case please contact us as soon as possible. Your fee status may be reassessed if you have provided any incorrect information.

For further information about your tuition fees, including when they are due and the circumstances in which they may change for future years of your course please see the **Fees and Finance Policy** which is sent with this offer. If we anticipate there will be any additional course specific costs (for example, specialist equipment, art supplies, laboratory overalls or contributions to field trips) these will be highlighted in the **About your course** factsheet which is also sent with this offer.

Please note that graduates of a University of Hertfordshire undergraduate degree (either in the UK or at a partner institution overseas) and who are starting a new postgraduate taught course at the university may be eligible to receive a 20% reduction of fees. See eligibility criteria for the 'UH Graduate Scholarship' in our Fees and Funding policy that's included with your offer.

Accepting this offer

We very much hope you choose to study with us, so the next step will be to formally accept this offer.

By accepting this offer, you are entering into a legal contract to study with the University of Hertfordshire, subject to you fulfilling the conditions (if any) of the offer.

To accept this offer, you must either pay a deposit of **£5000** (which will be offset against your first year tuition fee) or provide us with satisfactory evidence that your fees will be paid by a sponsor. The final deadline for the payment of deposits or receipt of evidence of sponsorship is 14/10/2022. If we have not received either by this date, this offer will be deemed to have been withdrawn. Please refer to section 2.10 of the Fees and Finance Policy for details of how the deposit (which contains a non-refundable element) may be paid or the evidence of sponsorship provided.

If you do not require a Tier 4 visa then you are not required to pay a deposit of £5000, to accept this offer please email international@herts.ac.uk

We will acknowledge receipt as soon as reasonably possible.

There is more information about the contract in the **Key Facts** document sent with this letter, so do please read it carefully (as well as the other accompanying documents) before accepting our offer.

If on our part there are any conditions which have to be met before we can guarantee to run the course, these will also be set out in the **About your course** factsheet.

Changing your mind

You have a legal right to change your mind about accepting this offer within 14 days of doing so. Further information about this right, and how to exercise it, can be found in Section 23 of our **Key Facts**

Student Fees Refund Policy

(Do not return this page with your acceptance)

OVERVIEW

In certain circumstances, if a student has a credit balance on their University account, they may request a refund of that credit balance. This policy provides formal guidance on the circumstances under which fee refunds are to be provided to students, and the manner in which they may be paid.

SCOPE AND APPLICATION

This policy applies to:

All enrolled students of the University of Adelaide, on all campuses both domestic and international;

- Students previously enrolled, not currently enrolled and students on program leave, where the relevant fee liability was incurred while they were enrolled or is directly related to their enrolment;
- Higher Degree Research Students including those awaiting examination of submitted theses; and
- Students on exchange from other universities where they have paid fees to be refunded to the University of Adelaide
- International students who have accepted an offer of admission.

POLICY PRINCIPLES

1. Refunds

- a. A refund can only occur if a student has a current credit on their student finance account.
- b. Refunds will be processed after all other financial obligations to the University have been discharged, including (but not limited to) Library fines, Student Loans, and accommodation charges.
- c. Refund payments are normally made directly into a bank account. Bank details are required for all refund requests, even if the refund is to the original credit card, to ensure payment can be finalised.
- d. All refunds are made in Australian dollars and are payable to the student's nominated account, with the following exceptions:
 - i) The student is supported by a recognised third party sponsor and that sponsor is entitled to the refund (as per the Education Services for Overseas Students (ESOS) Act, s.47D(3)(b)).
 - ii) In the event a country is subject to financial sanctions, refunds cannot be paid to a bank in a sanctioned country.
- e. Refunds may be transferred to another university or tertiary institution if authorised in writing by the student or, where appropriate, the student's sponsor.
- f. The deadline for submitting an online Refund Request Form to facilitate payment of a refund in any week is 5pm of the preceding Friday.

2. Special Circumstances Refunds, Remissions or Re-Credits:

- a. Students who withdraw from a course(s) after the Census Date due to special circumstances may apply for a Special Circumstances Refund, Remission or Re-Credit.
- b. International students who withdraw from their study after accepting their offer but prior to the Census Date in their first term of study due to special circumstances may apply for a Repayment of Administration Fee.

3. Domestic Students: refer to <https://www.adelaide.edu.au/policies/4343/>

4. International Students:

- a. When a refund is payable, and the applicable refund form has been completed, the refund will be processed under normal circumstances within 3 weeks of the refund form being received by Student Finance.
- b. Additional delays may occur for receipt of payments to overseas bank accounts.

5. Refunds Not Payable:

- a. Refunds are not payable at all in the following circumstances:
 - i) Student withdraws after the Census Date for courses in which student enrolled, and no special circumstances apply.
 - ii) Student visa cancelled by the Department of Immigration and Border Protection for any reason.
 - iii) Student fails a course or program, including a preliminary program such as Pre-Enrolment English Program or foundation studies or bridging program, and no special circumstances apply.

6. Exceptions

Transactions which are outside of these policy principles must be approved by the Executive Director, Division of Academic and Student Engagement (or their delegate), provided:

- a. It is their opinion that such a transaction is in the best interests of the University and is consistent with the objectives of this Policy; and
- b. The transaction is approved in writing prior to execution.

The University will either offer you an alternative program in writing or pay you a refund of any unspent tuition fees. If the University is unable to meet its obligations to you under Section 47D, the Tuition Protection Service (<https://tps.gov.au>) will assist you in finding an alternative course to accept or pay you a refund of your unspent prepaid tuition fees.
