Title : Effective Research Writing Techniques

Date : 14/07/2022

One-day Faculty Development Programme (FDP) “Effective Research Writing Techniques” was organized at the Bearys Institute of Technology (BIT) on 14th July 2022. Dr. Abdul Mujeebu, Associate Professor, College of Architecture and Planning, Imam Abdul Rahman Bin Faisal University, Dammam, Saudi Arabia was the resource person at the event. Dr. Abdul Mujeebu is listed among the top two percent most-cited researchers in the list published by Elsevier & Stanford University. He is also known having a wide research collaboration network. Dr. S.I Manjur Basha, Principal, BIT-Mangalore welcomed the gathering. The session began with a quote “A good teacher is a good researcher, the good researcher is a good writer” to encourage research work. He added that High impact journals are not beyond the reach, we must have little affinity towards research and persistent effort is necessary. The session provided a good learning experience with questions and answers round. The participants were faculties of Engineering, Architecture, and Diploma. Prof. Athera Prasad of the Civil Department compered the event while the event concluded with the Vote of Thanks by Dr. Abdullah Gubbi, HOD-ECE.

Dr. Manjur Basha, Principal, welcoming the gathering.

Title: IPR & Patent Filing Process

Date: 06/08/2021

On 6th August 2021, Departments of Civil, Computer Science & Engineering and IQAC organized a Talk on IPR- Patent Filing Process. The speaker of the session was **Mr. Ajith B S**, Assistant Professor in the Department of Mechanical Engineering and Convener of Research & Development Advisory Committee (RDAC) at Sahyadri College of Engineering and Management, Mangaluru, India. The program was presided by Dr. S.I Manjur Basha, Principal, Prof Mohammed Sinan, Asst Professor, Computer Science and Engineering, Prof Zaheer Ahmed HOD, Civil Engineering BIT Mangalore and faculties of various departments witnessed the program offline and students of final year from various department attended the function online.

Fig 1. Welcome Speech by Prof. Mohammed Sinan

Mr. Ajith B S, in his key note address explained Intellectual Property Rights, Categories of IPR, Main fields of applications of IPR, Types of Patented Application, what can be patented and what cannot be patented, Essential documents with patent application and how to apply and all procedures, and what are the different stages of Patent application. Objectives of the IPR Talk were to introduce the concept of Intellectual Property Rights and its various forms, including patents, copyrights, trademarks, and trade secrets, explain the role of IPR in

Department of Computer Science and Engineering, Civil Engineering & IQAC

forms, including patents, copyrights, trademarks, and trade secrets, explain the role of IPR in incentivizing innovation, protecting creators' rights, and contributing to economic growth and discuss real-world examples of successful IPR utilization and the impact on industries. Along with that this talk Highlighted the ethical and legal considerations related to intellectual property protection.

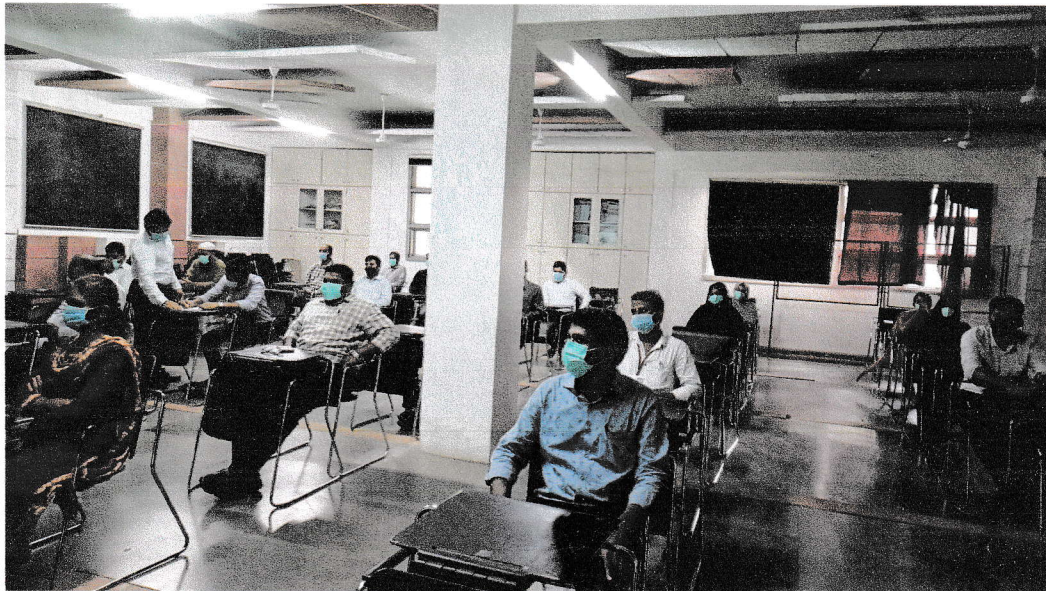

Fig 2. Faculties from various department attending the program

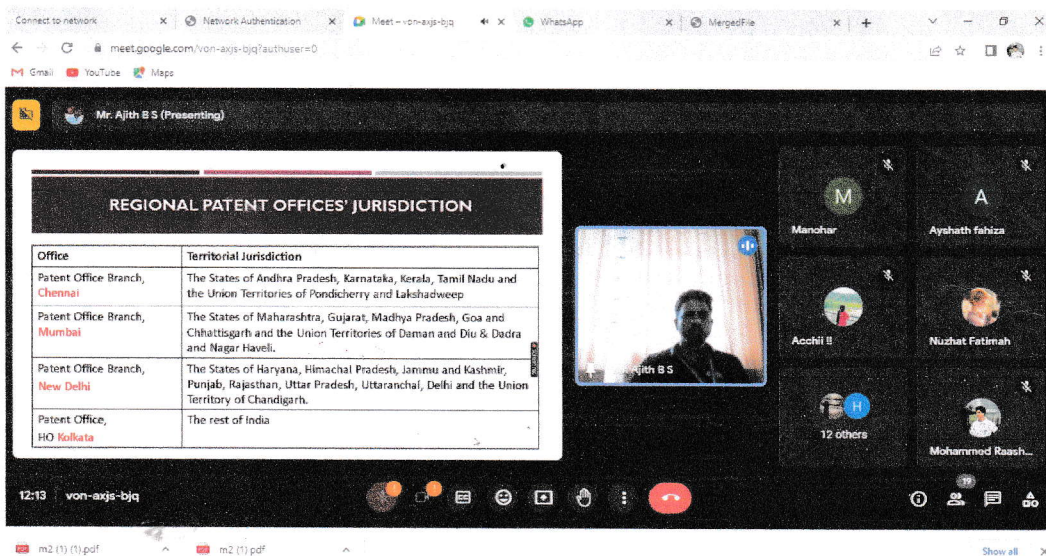

Fig 3. Students attending the program online.

Department of Computer Science and Engineering, Civil Engineering & IQAC

The IPR talk provided a valuable platform for students and faculty members to explore the multifaceted world of intellectual property rights. By fostering a deeper appreciation for IPR, the event contributed to nurturing a culture of innovation, creativity, and respect for intellectual property in the college community. Future initiatives of a similar nature will undoubtedly continue to enrich the intellectual and professional growth of the participants.

The Vote of thanks was proposed by Prof Mohammed Sinan, Program Coordinator Department of Computer Science and Engineering. The program was concluded with the national anthem.

A Technical talk on “ Introduction to IPR. How to Draft and File Patent

On 22nd January 2020, Dept. of Computer Science & Engineering organized a Talk on IPR- Intellectual Property Rights '. The speaker of the session was **Dr. Shreyas Suresh Rao**, Associate Professor (off campus), Department of CSE, Sahyadri Institute of Technology and Management.

The gathering was welcomed by Prof. Afsar Baig, HOD-CSE, BIT Mangalore. Dr. S I Manjur Basha delivered the Introductory remarks, in his speech he gave a brief introduction on IPR and told about the importance of IPR during their journey of engineering and here after

Dr. Shreyas Suresh Rao in his talk he explained about value of Intellectual Property Rights and how to defend them, patenting procedures and patent informatics, patent searches, the role of innovation and invention in academia-industry partnerships, trademark and copyright protection, and do's and don'ts for researchers in the sense of publishing and patenting. Live examples and case studies were shown by the resource person. This program received a lot of positive feedback from both students and faculty members. The vote of thanks was delivered by Prof. Mohammed Sinan, Assistant professor CSE, BIT Mangalore. The program concluded with National Anthem.

Title : Talk on “Research writing” for Faculties and Students

Date : 07/03/2019

Bearys Institute of Technology, Mangalore at Bearys Knowledge campus organized a talk on “Research writing” on 7th March 2019 for the Engineering, Architecture and Diploma faculties and Engineering final year students. The resources person for this event was Prof. Rimaz Ahamed, Associate Professor from CSE Department. In his talk Professor told writing a research paper is often a messy and recursive one, so one can use flexible guidelines. He has covered the topics - Discovering, Narrowing, And Focusing a Researchable Topic. -Finding, Selecting, and Reading Sources, Grouping, Sequencing, and Documenting. He stressed on the introduction of the paper and it should include the following things: present relevant background or contextual material, define terms or concepts when necessary, explain the focus of the paper and your specific purpose and reveal your plan of organization and he also stressed on Revising the Final Draft in that Checking overall organization: logical flow of introduction, coherence, and depth of discussion in body, effectiveness of conclusion. And Documentation: consistent use of one flow, citation of all material not considered common knowledge, appropriate use of endnotes or footnotes, the accuracy of the list of works cited.

Fig 1. Speaker Prof Rimaz Faizabadi addressing the participants

He appealed the faculties and students of final years to take active participation in writing papers. Overall the program was very interesting and interactive. The event began with welcome address by Dr.P.Mahabaleswarappa Principal, BIT and concluded with vote of thanks from Dr. Mustafa Bastikodi, HOD-CS&E. The program was witnessed by Principal BEADS, Ar. Ashok LP Mendonca, Principal BIT Polytechnic, Dr. Aziz Mustafa, Heads of various Departments and faculty members and students.

Title : Talk on Patents

Date : 15/03/2017

A talk on “Patents” was organized for final year students’ on 15th March 2017. Dr. Abdul Kareem, Principal delivered Introductory remarks on Patents. He stressed the importance of protecting intellectual property through patents. He gave brief introduction to his three patents published in the gazette of Indian patent office “Auto mechanized Urinals”, “Anti-collision System”, “System and Apparatus for climbing up a tree to perform various tasks”. He advised the students to come up with novel and innovative projects and convert them to products and processes with one or more claims so that they can be patented. Mr. Ramakrishna and Mrs. Gauthami from Allinov R&D Pvt Ltd delivered detailed presentation on procedures of patenting and related issues.
