Circular: ACETECH CIVISTA Event

Dear Students,

We are thrilled to share the exciting news of an upcoming event will organized by the Department of Civil Engineering. On 25th November 2022, the Association of Civil Engineering proudly presents ACETECH CIVISTA, a one-of-a-kind program tailored for our enthusiastic 1st-year students. Here are the event details:

Event Details:

Date: 25th November 2022

Agenda:

Inauguration:

We are honoured to have our esteemed Principal, Dr. S I Manju Basha, and the Vice Principal of BIT, Dr. Aziz Mustafa, to inaugurate this special event.

Master of Ceremony:

Ms. Haifa, a 7th-semester student in Civil Engineering, will serve as the Master of Ceremony, extending a warm and hearty welcome to all attendees.

Program Commencement:

The program will commence with a soulful prayer, setting a harmonious tone for the day. Following this, Dr. Nalini Rebello, Head of the Department, will deliver a warm welcome address, sharing her insights and inspiration.

Engaging Activities:

ACETECH CIVISTA promises an array of exciting activities, where participants will showcase their skills and creativity.

Coordinators:

BUILDIT: Prof. Bharath Gowda, Prof. Minhajuddin, Mr. Gazanfar, Mr. Ishan.

NIRMANEERS: Prof. Altamashuddin Khan N., Prof. Anjan Kumar MU, Ms. Noha, Mr. Adler.

QUIZARD: Prof. Shareefa R Nadaf, Prof. Vijay H, Ms. Haifa, Mr. Akram

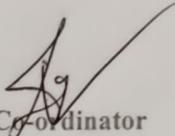

Overall Coordinators: Dr. Nalini Rebello, Prof. Zaheer Ahmed

Vote of Thanks:

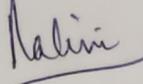

Mr. Gazanfar, a 5th-semester student from the Civil Engineering Department, will extend heartfelt gratitude to all participants, faculty, and staff who contributed to the success of ACETECH CIVISTA.

For any inquiries or additional information, please contact Coordinators

Let's unite to make ACETECH CIVISTA a cherished and triumphant event. We eagerly anticipate your presence and participation

Circular - Farewell

Dear Students,

We are delighted to announce that on behalf of the Association of Civil Engineering, a special event has been planned to bid farewell to our final year students in the Department of Civil Engineering.

Date: 21st July 2022 Time: 10:30am Venue: National Seminar Hall

This event will be a wonderful opportunity for our pre-final year students and 2nd-year students to show their appreciation for the hard work and dedication of our graduating final year students. It's a momentous occasion as they prepare to step into the next phase of their careers.

The event promises to be filled with heartfelt speeches, entertainment, and a chance for our students to share their fond memories and wishes for the future. We believe that your presence will make this event even more special.

We cordially invite all students of the Department of Civil Engineering to join us in bidding farewell to our beloved Final Year Students and to celebrate this special occasion with us.

Please mark your calendars for this event, and we look forward to your presence and support.

Circular - Fresher's Day

We are delighted to inform you that the Department of Civil Engineering is organising a Fresher's Day on the 21st of January 2022. This event is aimed at welcoming the 3rd-semester students to our esteemed department.

Event Details: Date: 21st January 2022 Time: 10:00am Venue: National Seminar Hall

Agenda:

1. Inauguration by Principal Dr. S I Manju Basha
2. Welcome address by Ms. Shamila Khadijath, 5th semester civil engineering
3. Opening prayer
4. Words of wisdom by Prof. Vijay H
5. Guidance from Prof. Zaheer Ahmed, Head of the Department
6. Inspirational words from Principal Dr. S I Manju Basha
7. Presentation of mementos to second-year students
8. Vote of thanks by Mr. Jafreeda, 7th Semester civil engineering department

The program promises to be a memorable one, filled with valuable insights and inspiration for our junior members. We encourage all senior students to attend and share their experiences and knowledge with their juniors. Let us create a warm and welcoming atmosphere for the newcomers.

Your presence and active participation in this event are highly appreciated. Please make sure to mark your calendars for this special occasion.

For any further information or queries, please feel free to contact Co-ordinator.

We look forward to seeing you all there!

Circular - Farewell

Dear Students,

We are pleased to inform you that the Department of Civil Engineering is organizing a Farewell Program for our Final Year Students, along with 2nd-year students of the department. The details of the program are as follows:

Date: 11th August 2021 Time: 10am Venue: BMT Lab

The program will commence with the gracious presence of our esteemed Principal, Dr. S I Manju Basha, who will inaugurate the event.

Ms. Amreen, a 6th-semester civil engineering student, will serve as the Master of Ceremony and extend a warm welcome to all attendees.

The program will begin with a prayer, followed by a welcome address by Prof. Vijay H.

We are honoured to have Prof. Zaheer Ahmed, Head of the Department of Civil Engineering, who will provide valuable guidance to our senior students. He will emphasize the importance of fostering a friendly environment among senior and junior students, and the significance of respecting and following the advice of seniors.

Principal Dr. S I Manju Basha will also share his words of wisdom and encouragement with the students, motivating them to excel in their careers.

As a token of our love and appreciation, our Final Year Students will be presented with mementos.

The formal function will be concluded with a vote of thanks by Ms. Jafrida, a 6th Semester civil engineering student.

We cordially invite all students of the Department of Civil Engineering to join us in bidding farewell to our beloved Final Year Students and to celebrate this special occasion with us.

Please mark your calendars for this event, and we look forward to your presence and support.

Circular - World Environment Day Celebration

We are pleased to inform you that the Department of Civil Engineering at Bearys Institute of Technology (BIT) Mangaluru will be celebrating World Environment Day on 5th June, 2019, with the theme of "Beat Air Pollution."

Event Details: Date: 5th June, 2019 Time: 11:00 AM Venue: Auditorium

The program will commence at 11:00 AM in the Auditorium and is open to all final year Civil Engineering students. Our esteemed Principal, Dr. Mahabaleswarappa P, will inaugurate the event with a talk on the mass balance concept in the environment, shedding light on how our daily activities impact the environment and what our duty is to restore it.

Following Dr. Mahabaleswarappa P's address, Prof. Purushothama CT, Professor & Head of the Department, Civil Engineering, will continue the session. He will deliver a talk on the Importance of World Environmental Day and discuss the responsibilities of Civil Engineers in safeguarding our environment. Prof. Purushothama CT will also touch upon the global nature of air pollution and provide career guidance and advice on effective time utilization for our final year students.

We encourage all final year Civil Engineering students to actively participate and share their thoughts on safeguarding the environment during this event. Your contributions and insights are valuable as we collectively address the issue of air pollution.

We look forward to your active participation in this event, which aims to raise awareness about the importance of environmental conservation and our role in protecting our planet.

Please mark your calendars for 5th June, 2019, at 11:00 AM in the Auditorium, and let us come together to make this event a meaningful and enlightening experience.

Circular - World Earth Day Celebration

We are delighted to announce the upcoming celebration of World Earth Day by the Department of Civil Engineering at Bearys Institute of Technology (BIT) Mangaluru. This event serves as an important reminder of our responsibility to protect our planet and its diverse species.

Event Details: Date: 22nd April, 2019 Time: 11:30 AM Venue: International Seminar Hall

The theme for this year's World Earth Day celebration is "Protect Our Species." We have a lineup of insightful speakers and activities planned for this occasion, and we invite all Civil Engineering students to participate.

Program Highlights:

- **Speaker 1:** Prof. Purushothama CT, Head of the Department, Civil Engineering, will kick off the event with a talk on the "Importance of World Earth Day and Sustainability in Biodiversity."
- **Speaker 2:** Mr. Shobhan Majumder, Assistant Professor, Dept. of Civil Engineering, will share his expertise on the current scenario of Ecology and Environment and provide valuable insights on how we can overcome environmental challenges.
- **Quiz Competition:** To engage our students in an interactive and educational activity, the Department of Civil Engineering will conduct a Quiz competition focused on 'Extinct Species.' This competition will involve students from the 2nd, 3rd, and final year. The quiz will be hosted by Mr. Poornesh and Ms. Rukiyath Rizwana, both from the final year of Civil Engineering.

We encourage all students, faculty, and staff to attend this event and actively participate in the discussions and activities. Let us come together to celebrate World Earth Day, gain a deeper understanding of the importance of protecting our planet's species, and explore ways to contribute to a sustainable and biodiverse environment.

Please mark your calendars for 22nd April, 2019, at 11:30 AM in the International Seminar Hall. We look forward to your presence at this significant event.
