

## DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

### (ii) PO and PSO Assessment Tools:

**Table 3.3.1 (a): Assessment tools and processes used for evaluation of PO and PSO attainment**

PO, PSO ASSESSMENT TOOLS AND PROCESSES				
Direct (80% weightage)	PO Assessment	Course Type	Assessment Methods	Frequency
		Theory, Lab	Continuous Internal Evaluation 1	Once per semester
			Continuous Internal Evaluation 2	Once per semester
			Continuous Internal Evaluation 3	Once per semester
			Semester End Exam	Once per semester
			Internal Lab exam	Once per semester
			External Lab Exam	Once per semester
		Project Work and Viva-Voce	First Review	Once per semester
			Second Review	Once per semester
			University Assessment	Once per semester
		Internship	Internal Assessment	Once per semester
			External Assessment	Once per semester
		Mini Project	Internal Assessment	Once per semester
			External Assessment	Once per semester
		Technical Seminar	Internal Assessment	Once per semester
