These engineering colleges are conducting undergraduate and postgraduate courses as well as research in engineering, technology and allied sciences,

The Visveswaraiah Technology University Act does not contain any provision for according status to the colleges affiliated to Visveswaraiah Technological University unlike the Karnataka State University Act, 2000 where according to section 64, the University may, with prior concurrence of the State Government, designate for such period may specify an affiliated college, department or units as an Autonomous College for any course of study, after following the procedure and subject to such conditions as may be specified in the statutes made in this behalf and with a view of to improve the quality of education and to introduce new and relevant courses of study.
